**Item 1.01. Entry into a Material Definitive Agreement.**

On February 3, 2015, Pattern Energy Group Inc. (the “**Company**”) entered into an underwriting agreement (the “**Underwriting Agreement**”) with Morgan Stanley & Co. LLC, Merrill Lynch, Pierce, Fenner & Smith Incorporated and RBC Dominion Securities Inc., acting as representatives of the several underwriters named therein (collectively, the “**Underwriters**”), Pattern Renewables LP, a Delaware limited partnership, as selling shareholder (the “**Selling Shareholder**”), and Pattern Energy Group LP, a Delaware limited partnership, relating to the public offering of 7,000,000 shares of the Company’s Class A common stock by the Company (the “**Primary Firm Shares**”) and 5,000,000 shares of the Company’s Class A common stock by the Selling Shareholder (the “**Secondary Firm Shares**,” and together with the Primary Firm Shares, the “**Firm Shares**”). The offering price to the public of the Firm Shares is \$29.25 per share, and the Underwriters have agreed to purchase the Firm Shares from the Company and the Selling Shareholder pursuant to the Underwriting Agreement at a price of \$28.22625 per share. After underwriting discounts and commissions and estimated offering expenses, the Company expects to receive net proceeds from the offering of the Primary Firm Shares of approximately \$196.7 million. Pursuant to the Underwriting Agreement, the Underwriters have a 30-day option to purchase up to an additional 1,800,000 shares of the Company’s Class A common stock from the Selling Shareholder (the “**Option Shares**” and together with the Firm Shares, the “**Shares**”) to cover over-allotments, if any, at the public offering price less the underwriting discounts and commissions.

The Company will not receive any proceeds from the sale of the Secondary Firm Shares or the Option Shares by the Selling Shareholder. The Company will pay the expenses, other than underwriting discounts and commissions, associated with the sale of Shares by the Selling Shareholder.

The Shares will be sold pursuant to an automatically effective shelf registration statement on Form S-3 that the Company filed with the Securities and Exchange Commission (the “**SEC**”) on October 8, 2014 (File No. 333-199217). A prospectus supplement relating to the offering has been filed with the SEC. The offering is also being made in Canada under a supplement to the Company’s MJDS shelf prospectus filed with Canadian securities regulatory authorities. The closing of the offering is expected to take place on February 9, 2015, subject to customary closing conditions.

A copy of the Underwriting Agreement is attached as Exhibit 1.1 hereto and is incorporated herein by reference. The foregoing description of the Underwriting Agreement does not purport to be complete and is qualified in its entirety by reference to such exhibit.

A copy of the legal opinion and consent of Davis Polk & Wardwell LLP relating to the Shares is attached as Exhibit 5.1 hereto.

connection with the offering of the Firm Shares. On each day, if any, that Additional Shares are to be purchased (an “**Option Closing Date**”), each Underwriter agrees, severally and not jointly, to purchase the number of Additional Shares (subject to such adjustments to eliminate fractional shares as you may determine) that bears the same proportion to the total number of Additional Shares to be purchased on such Option Closing Date as the number of Firm Shares set forth in Schedule I hereto opposite the name of such Underwriter bears to the total number of Firm Shares.

(c) For a period of 90 days after the Closing Date, the Company and PEG Parties hereby agree that they will not, (i) offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, or otherwise transfer or dispose of, directly or indirectly, or file with the Commission a registration statement under the Securities Act (other than any registration statement on Form S-8), or file with a Canadian Securities Commission a preliminary prospectus, relating to any shares of Class A Common Stock or any securities convertible into or exercisable or exchangeable for shares of Class A Common Stock or publicly disclose the intention to make any such offer, sale, pledge, disposition or filing, or (ii) enter into any swap or other agreement that transfers, in whole or in part, any of the economic consequences of ownership of Class A Common Stock or any such other securities, whether any such transaction described in clause (i) or (ii) above is to be settled by delivery of Class A Common Stock or such other securities, in cash or otherwise, without the prior written consent of each of the Representatives, other than (A) the Shares to be sold hereunder, (B) any stock options, restricted stock awards, phantom stock awards or other awards or grants to be issued by the Company pursuant to stock incentive plans referred to in each of the Registration Statement, Time of Sale Prospectus and the Prospectus, (C) any shares of Class A Common Stock or other securities issued or realized upon the exercise, vesting or settlement of awards or grants issued pursuant to stock incentive plans disclosed in each of the Registration Statement, Time of Sale Prospectus and the Prospectus, and (D) the pledge or hypothecation, or other granting of a security interest in, up to 15,300,000 shares of Class A Common Stock to one or more banks or financial institutions as collateral or security pursuant to the Margin Loan Agreement dated May 6, 2014 between Pattern Development Finance Company and the lenders party thereto, and any transfer upon foreclosure upon such shares.

5. *Payment and Delivery.* Payment for the Firm Shares to be sold by the Company and Pattern Renewables shall be made to such parties in Federal or other funds immediately available in the City of Toronto against delivery of such Firm Shares for the respective accounts of the several Underwriters at 8:00 a.m., Toronto time, on February 9, 2015, or at such other time on the same or such other date, not later than February 10, 2015, as shall be designated in writing by you. ---

Payment for any Additional Shares shall be made to Pattern Renewables, or its designee, in Federal or other funds immediately available in the City of Toronto against delivery of such Additional Shares for the respective accounts of the several Underwriters at 8:00 a.m., Toronto time, on the date specified in the corresponding notice described in Section 3 or at such other time on the same or on such other date, in any event not later than March 5, 2015, as shall be designated in writing by you.

6. *Conditions to the Underwriters' Obligations.* The obligations of the Company and Pattern Renewables to sell the Shares to the Underwriters and the several obligations of the Underwriters to purchase and pay for the Shares on the Closing Date or Option Closing Date, as applicable, are subject to the conditions that (i) the representations and warranties of the Company and the PEG Parties contained herein are true and correct as of the Closing Date or Option Closing Date, as applicable, and the statements of the Company and the PEG Parties and their officers made in any certificates delivered pursuant to this Agreement are true and correct on the Closing Date or Option Closing Date, as applicable and (ii) the Company and the PEG Parties have complied in all material respects with all of the agreements and satisfied all of the conditions on their respective parts to be performed or satisfied hereunder.

The several obligations of the Underwriters are subject to the following further conditions:

(a) Subsequent to the execution and delivery of this Agreement and prior to the Closing Date there shall not have occurred any change, or any development involving a prospective change, in the condition, financial or otherwise, or in the earnings, business or operations of the Company and its subsidiaries, taken as a whole, from that set forth in the Time of Sale Prospectus that, in your judgment, is material and adverse and makes it, in your judgment, impracticable to market the Shares on the terms and in the manner contemplated in the Time of Sale Prospectus.

(b) The Underwriters shall have received on the Closing Date a certificate, dated the Closing Date and signed by the Chief Executive Officer or Chief Financial Officer of the Company and the Chief Executive Officer or Chief Financial Officer or President of each of the PEG Parties, in each case, reasonably satisfactory to the Underwriters, to the effect that the representations and warranties of the Company and the PEG Parties, respectively, contained in this Agreement are true and correct as of the Closing Date and that the Company and the PEG Parties, respectively, have complied in

---

all material respects with all of the agreements and satisfied all of the conditions on their respective parts to be performed or satisfied hereunder on or before the Closing Date. Each officer signing and delivering such certificate may rely upon the best of his or her knowledge as to proceedings threatened.

(c) The Underwriters shall have received on the Closing Date an opinion of Blake, Cassels & Graydon LLP, outside Canadian counsel to the Company, and other applicable outside counsel to the Company in Canadian jurisdictions other than Ontario, Québec, Alberta and British Columbia dated the Closing Date, to the effect set forth in Exhibit A hereto, an opinion of Davis, Polk and Wardwell LLP, outside U.S. counsel to the Company and the PEG Parties, dated the Closing Date, to the effect set forth in Exhibit B hereto, and an opinion of Dyann Blaine, US internal counsel for the Company, to the effect set forth in Exhibit C.

(f) The Underwriters shall have received, on each of the date hereof and the Closing Date, a letter dated as of the date of hereof and the Closing Date, respectively, in form and substance satisfactory to the Underwriters, from PricewaterhouseCoopers LLP, an independent registered public accounting firm, containing statements and information of the type ordinarily included in accountants' "comfort letters" to underwriters with respect to the financial statements of South Kent Wind LP, as well as the audit report relating to the financial statements of Grand Renewable Wind LP, in each case, contained in the Registration Statement, the Time of Sale Prospectus and the Prospectus; *provided* that the letter delivered on the Closing Date shall use a "cut-off date" not earlier than three business days prior to the Closing Date.

(g) The "lock-up" agreements, each substantially in the form of Exhibit D hereto, addressed to the Representatives and signed by certain shareholders, officers and directors of the Company listed on Schedule V hereto relating to sales and certain other dispositions of Class A Common Stock or certain other securities, shall have been delivered to the Underwriters on or before the date hereof, and shall be in full force and effect on the Closing Date.

(h) The Underwriters shall have received opinions of Blake, Cassels & Graydon LLP, dated the date of the Canadian Preliminary Prospectus and the date of the Canadian Final Prospectus, in form and substance satisfactory to the Underwriters, addressed to the Underwriters who have signed a certificate in the Canadian Preliminary Prospectus and the Canadian Final Prospectus, the Company, PEG LP and their respective counsel, to the effect that the French language version of each of the Canadian Preliminary Prospectus and the Canadian Final Prospectus (excluding Exhibits to documents incorporated by reference not required to be translated), except for portions thereof (including documents incorporated by reference) translated into the French language by Ernst and Young LLP and/or PricewaterhouseCoopers LLP (collectively, the “**Financial Information**”) as to which no opinion need be expressed by such counsel, is, in all material respects, a complete and proper translation of the English language version thereof.

(i) The Underwriters shall have received opinions of Ernst & Young LLP, dated the date of the Canadian Preliminary Prospectus and the date of the Canadian Final Prospectus, in form and substance satisfactory to the Underwriters, addressed to the Underwriters who have signed a certificate in the Canadian Preliminary Prospectus and the Canadian Final Prospectus, the Company, PEG LP and their respective counsel, to the effect that the French language version of the Financial Information (excluding Exhibits to documents incorporated by reference not required to be translated) contained in the Canadian Preliminary Prospectus and the Canadian Final Prospectus includes the same information and, in all material respects, carries the same meaning as the English language version thereof.

(j) The Primary Firm Shares to be sold at Closing shall have been approved for listing on Nasdaq, subject only to official notice of issuance and evidence of satisfactory distribution, and conditionally approved for listing and posting for trading on the TSX, subject only to the satisfaction by the Company of customary conditions imposed by the TSX in similar circumstances.

(k) No action shall have been taken and no statute, rule, regulation or order shall have been enacted, adopted or issued by any federal, state or foreign governmental or regulatory authority that would, as of the Closing Date, prevent the issuance or sale of the Shares; and no injunction or order of any federal, state or foreign court shall have been issued that would, as of the Closing Date, prevent the issuance or sale of the Shares.

(l) No stop order suspending the effectiveness of the Registration Statement or any part thereof has been issued.

(m) The PEG Parties and the Company will furnish the Representatives with such conformed copies of such opinions, certificates, letters and documents as the Representatives reasonably request.

---

The several obligations of the Underwriters to purchase Additional Shares hereunder are subject to the delivery to you on the applicable Option Closing Date of the certificates referred to in Section 6(b) as of the Option Closing Date as if references therein to the Closing Date were references to the Option Closing Date, the comfort letters from Ernst & Young LLP and PricewaterhouseCoopers LLP as of the Option Closing Date and such other documents as you may reasonably request with respect to the good standing of the Company, the due authorization and issuance of the Additional Shares to be sold on such Option Closing Date and other matters related to the issuance of such Additional Shares.

7. *Covenants of the Company.* In further consideration of the agreements of the Underwriters herein contained, the Company covenants with each Underwriter as follows:

(a) To furnish to you, (i) without charge, six conformed copies of the Registration Statement (including exhibits thereto) and for delivery to each other Underwriter a conformed copy of the Registration Statement (without exhibits thereto); provided that any such document's availability on EDGAR or SEDAR (or, in each case, any successor thereto) shall satisfy the foregoing requirements and (ii) in New York City, Toronto or such other cities as you may reasonably request directly (including with respect to the Canadian Final Prospectus in the English and French languages), without charge, prior to 10:00 a.m. applicable local time on the business day next succeeding the date of this Agreement or the date of filing thereof (in the case of the Canadian Final Prospectus) and during the period mentioned in Section 7(e) or 7(f) below, as many commercial copies of the Time of Sale Prospectus, the Prospectus and any supplements and amendments thereto or the Registration Statement as you may reasonably request.

(b) Before amending or supplementing the Registration Statement, the Time of Sale Prospectus or the Prospectus, to furnish to you a copy of each such proposed amendment or supplement and not to file any such proposed amendment or supplement to which you reasonably object, and to file with the Commission within the applicable period specified in Rule 424(b) under the Securities Act any prospectus required to be filed pursuant to such Rule.

(c) To furnish to you a copy of each proposed issuer free writing prospectus to be prepared by or on behalf of, used by, or referred to by the Company and not to use or refer to any proposed issuer free writing prospectus to which you reasonably object.

(d) Not to take any action that would result in an Underwriter or the Company being required to file with the Commission pursuant to Rule 433(d) under the Securities Act a free writing prospectus prepared by or on behalf of the Underwriter that the Underwriter otherwise would not have been required to file thereunder.

(e) If the Time of Sale Prospectus is being used to solicit offers to buy the Shares at a time when the Prospectus is not yet available to prospective purchasers and any event shall occur or condition exist as a result of which it is necessary to amend or supplement the Time of Sale Prospectus in order to make the statements therein, in the light of the circumstances, not misleading, or if any event shall occur or condition exist as

---

a result of which the Time of Sale Prospectus conflicts with the information contained in the Registration Statement then on file, or if, in the opinion of counsel for the Underwriters, it is necessary to amend or supplement the Time of Sale Prospectus to comply with the Securities Act or the Exchange Act, as applicable, and the rules and regulations promulgated thereunder, or the Canadian Securities Laws, forthwith to prepare, file with the Commission and the Canadian Securities Commissions, in each case, to the extent required by law and furnish, at its own expense, to the Underwriters and to any dealer upon request, either amendments or supplements to the Time of Sale Prospectus so that the statements in the Time of Sale Prospectus as so amended or supplemented will not, in the light of the circumstances when the Time of Sale Prospectus is delivered to a prospective purchaser, be misleading or so that the Time of Sale Prospectus, as amended or supplemented, will no longer conflict with the Registration Statement, or so that the Time of Sale Prospectus, as amended or supplemented, will comply with such applicable law.

(f) The Company will prepare the Canadian Final Prospectus in accordance with the MJDS Rule in a form reasonably approved by the Underwriters, and will file the Canadian Final Prospectus with the Reviewing Authority as soon as possible but not later than 12:00 p.m. (Toronto time) on February 4, 2015.

(g) If, during such period after the first date of the public offering of the Shares (or the filing of a Canadian Preliminary Prospectus) as in the opinion of counsel for the Underwriters the Prospectus (or in lieu thereof the notice referred to in Rule 173(a) of the Securities Act) is required by law to be delivered in connection with sales by an Underwriter or dealer, any event shall occur or exist as a result of which it is necessary to amend or supplement the Prospectus in order to make the statements therein, in the light of the circumstances when the Prospectus (or in lieu thereof the notice referred to in Rule 173(a) of the Securities Act) is delivered to a purchaser, not misleading, or if, in the opinion of counsel for the Underwriters, it is necessary to amend or supplement the Prospectus to comply with the Securities Act or the Exchange Act, as applicable, and the rules and regulations promulgated thereunder, or Canadian Securities Laws, forthwith to prepare, file with the Commission and the Canadian Securities Commissions, in each case, to the extent required by law, and furnish, at its own expense, to the Underwriters and to the dealers (whose names and addresses you will furnish to the Company) to which Shares may have been sold by you on behalf of the Underwriters and to any other dealers upon request, either amendments or supplements to the Prospectus so that the statements in the Prospectus as so amended or supplemented will not, in the light of the circumstances when the Prospectus (or in lieu thereof the notice referred to in Rule 173(a) of the Securities Act) is delivered to a purchaser, be misleading or so that the Prospectus, as amended or supplemented, will comply with such applicable law.

(h) To endeavor to qualify the Shares for offer and sale under the securities or blue sky laws of such jurisdictions (that are required for the offer and sale) as you shall reasonably request, provided that, in connection therewith, the Company shall not be required to (i) qualify as a foreign corporation in any jurisdiction in which it would not otherwise be required to so qualify, (ii) file a general consent to service of process in any such jurisdiction or (iii) subject itself to taxation in any jurisdiction in which it would not otherwise be subject.

---

(i) To make generally available to the Company's shareholders and the Representatives as soon as practicable an earnings statement that will satisfy the provisions of Section 11(a) of the Securities Act and the rules and regulations of the Commission thereunder.

(j) To use its best efforts to have the Primary Firm Shares accepted or approved, as the case may be, for listing on Nasdaq in the United States and the TSX in Canada.

(k) To apply the net proceeds from the sale of the Shares as described in each of the Time of Sale Prospectus and the Prospectus under the heading "Use of Proceeds."

(l) To not take, directly or indirectly, any action designed to or that could reasonably be expected to cause or result in any stabilization or manipulation of the price of the Class A Common Stock.

#### 8. Expenses.

(a) Whether or not the transactions contemplated in this Agreement are consummated, the Company agrees to pay or cause to be paid all expenses incident to the performance of the Company's obligations under this Agreement, including: (i) the fees, disbursements and expenses of the Company's counsel, the Company's accountants in connection with the registration, qualification and delivery of the Shares under the Securities Act and Canadian Securities Laws and all other fees or expenses in connection with the preparation and filing of the Registration Statement, any preliminary prospectus, the Time of Sale Prospectus, the Prospectus, any free writing prospectus prepared by or on behalf of, used by, or referred to by the Company and supplements to any of the foregoing, including all printing and translation costs associated therewith, and the mailing and delivering of copies thereof to the Underwriters and dealers, in the quantities hereinabove specified, (ii) all costs and expenses related to the transfer and delivery of the Shares to the Underwriters, including any transfer or other similar taxes (including stamp duty taxes) payable thereon, (iii) the cost of printing or producing any blue sky or Legal Investment memorandum in connection with the offer and sale of the Shares under state securities laws and all expenses in connection with the qualification of the Shares for offer and sale under state and Canadian provincial securities laws as provided in Section 7(h) hereof, including filing fees and the reasonable fees and disbursements of counsel for the Underwriters in connection with such qualification and in connection with the blue sky or Legal Investment memorandum, (iv) all filing fees incident to, and the reasonable and documented fees and disbursements of counsel to the Underwriters in an amount not to exceed \$15,000, incurred in connection with the review and qualification of the offering of the Firm Shares by the FINRA, (v) all fees and expenses in connection with the preparation and filing of the registration statement on Form 8-A relating to the Shares and all costs and expenses incident to listing the Shares on Nasdaq and the TSX,

---

(vi) the cost of printing certificates representing the Shares, (vii) the costs and charges of any transfer agent, registrar or depository, (viii) the costs and expenses of the Company relating to investor presentations on any “road show” undertaken in connection with the marketing of the offering of the Shares, including, without limitation, expenses associated with the preparation or dissemination of any electronic road show, expenses associated with the production of road show slides and graphics, fees and expenses of any consultants engaged in connection with the road show presentations, travel and lodging expenses of the representatives and officers of the Company and any such consultants, and the cost of any aircraft chartered in connection with the road show, (ix) all out-of-pocket costs of the Underwriters (other than, for the avoidance of doubt, the fees and disbursements of Underwriters’ counsel), including all expenses incurred by the Underwriters in connection with the road show presentations, and (x) all other costs and expenses incident to the performance of the obligations of the Company hereunder for which provision is not otherwise made in this Section 8. For the avoidance of doubt, the Company’s obligation to pay expenses under this Section 8 shall not include any obligation to pay underwriting commissions on any Secondary Firm Shares or Additional Shares sold by Pattern Renewables. Pattern Renewables agrees to pay the fees, disbursements and expenses of counsel applicable to it and all fees and expenses of the Company in respect of the Secondary Firm Shares and any Additional Shares purchased by the Underwriters. It is understood, however, that, except as provided in this Section 8, and Sections 11, 12 and 14 hereof, the Underwriters will pay all stock transfer taxes on resale of any of the Shares by them.

(b) If the third anniversary of the initial effective date of the Registration Statement occurs before all the Shares have been sold by the Underwriters, prior to the third anniversary to file a new shelf registration statement and to take any other action necessary to permit the public offering of the Shares to continue without interruption; references herein to the Registration Statement shall include the new registration statement declared effective by the Commission.

(c) The provisions of this Section shall not supersede or otherwise affect any agreement that the Company and the PEG Parties may otherwise have for the allocation of such expenses among themselves.

#### *9. Covenants of the Underwriters.*

(a) Each Underwriter severally covenants with the Company that, without the prior consent of the Company and the Representatives, it has not made and will not take any action that would result in the Company being required to file with the Commission under Rule 433(d) a free writing prospectus prepared by or on behalf of or used or referred to by such Underwriter that otherwise would not be required to be filed by the Company thereunder, but for the action of such Underwriter; any such free writing prospectus the use of which has been consented to by the Company and the Representatives is listed on Schedule II hereto.

---

(b) The Underwriters will be permitted to appoint, at their sole expense, other registered dealers or brokers as their agents to assist in the distribution of the Shares in the provinces and territories of Canada (a “**Selling Firm**”). The Underwriters shall, and shall require any Selling Firm, to comply with Canadian Securities Laws in connection with the distribution of the Shares and to offer the Shares for sale only in the provinces and territories of Canada directly and through duly appointed Selling Firms upon the terms and conditions set forth in the Prospectus and this Agreement. The Underwriters shall, and shall require any Selling Firm to agree to, offer for sale and sell the Shares only in those jurisdictions where they may be lawfully offered by the Underwriters for sale or sold. Without limiting the generality of the foregoing, no Shares will be offered for sale or sold in any province or territory of Canada by any Canadian Underwriter or any Selling Firm unless such Canadian Underwriter or Selling Firm is duly registered as a dealer under the Canadian Securities Laws of such province or territory in a category that permits the trade. For the purposes of this Section 9, the Underwriters shall be entitled to assume that the Shares are qualified for distribution in each of the provinces and territories of Canada. For the avoidance of doubt, each of Wells Fargo Securities, LLC, KeyBanc Capital Markets Inc. and SG Americas Securities, LLC is not acting as an underwriter of the Shares in any province or territory of Canada and no action on the part of Wells Fargo Securities, LLC, KeyBanc Capital Markets Inc., or SG Americas Securities, LLC in its capacity as an underwriter of the offering of Shares in the United States will create any impression or support any conclusion that the firm is acting as a Canadian Underwriter of the Shares in any province or territory of Canada.

(c) The obligations of the Underwriters under this Agreement are several and not joint and several, and no Underwriter will be liable for an act, omission, default or conduct by any other Underwriter or any Selling Firm appointed by any other Underwriter.

(d) The Underwriters that are designated as “Canadian Underwriters” on Schedule I hereto (the “**Canadian Underwriters**”) shall use their commercially reasonable efforts to complete, and to cause each Selling Firm to complete, the distribution of the Shares as promptly as possible after the Closing Date, and shall, and shall cause each Selling Firm to, after the Closing Date, give prompt written notice to the Company when, in the opinion of the Canadian Underwriters, they have completed distribution of the Shares in the provinces and territories of Canada, including notice of the total proceeds realized or number of Shares sold in each of the provinces and territories of Canada and any other jurisdiction.

#### 10. *Indemnity and Contribution.*

(a) The Company and PEG Parties jointly and severally agree to indemnify and hold harmless each Underwriter, each person, if any, who controls any Underwriter within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act, each affiliate of any Underwriter within the meaning of Rule 405 under the Securities Act and each Underwriter’s directors, officers and employees (the “**Underwriter Indemnified Parties**”), from and against any and all losses, claims,

---

damages and liabilities (including, without limitation, any legal or other expenses reasonably incurred in connection with defending or investigating any such action or claim) caused by:

(i) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement or any amendment thereof, any Time of Sale Prospectus, the Canadian Final Prospectus, any issuer free writing prospectus (taken together with the Time of Sale Prospectus), any Company information that the Company has filed, or is required to file, pursuant to Rule 433(d) under the Securities Act (taken together with the Time of Sale Prospectus), or the Prospectus or any amendment or supplement thereto;

(ii) in the case of the Registration Statement or any amendment thereof, any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading; or

(iii) in the case of any preliminary prospectus, the Time of Sale Prospectus, the Prospectus, the Canadian Final Prospectus, any issuer free writing prospectus (taken together with the Time of Sale Prospectus), any Company information that the Company has filed, or is required to file, pursuant to Rule 433(d) under the Securities Act (taken together with the Time of Sale Prospectus), or the Prospectus or any amendment or supplement thereto, (A) any omission or alleged omission to state therein a material fact required to be stated therein or necessary in order to make the statements therein not misleading in light of the circumstances under which they were made or (B) any “misrepresentation” or alleged “misrepresentation” as defined under Canadian Securities Laws,

(iv) any order or any inquiry, investigation or proceeding announced, instituted or threatened by any court, securities regulatory authority, stock exchange or by any other competent authority naming an Underwriter as a party, based upon any untrue statement, omission or misrepresentation or alleged untrue statement, omission or misrepresentation in the Registration Statement or any amendment thereof, any preliminary prospectus, the Time of Sale Prospectus, Canadian Final Prospectus, any issuer free writing prospectus as defined in Rule 433(h) under the Securities Act, any Company information that the Company has filed, or is required to file, pursuant to Rule 433(d) under the Securities Act, or the Prospectus or any amendment or supplement thereto;

(v) any breach or default under any representation, warranty, covenant or agreement of the Company or the PEG Parties in this Agreement to or with the Underwriters; or

(vi) the Company or either of the PEG Parties failing to comply with any requirement of any securities laws relating to the offering of the Shares.

---

except, in each case, insofar as such losses, claims, damages or liabilities are caused by any such untrue statement or omission or alleged untrue statement or omission relating to Underwriters' Disclosure, and solely with respect to the Company, the PEG Parties Information;

(b) Each Underwriter agrees, severally and not jointly, to indemnify and hold harmless the Company, the PEG Parties, the directors of the Company and the PEG Parties, as applicable, the officers, and employees of the Company and the PEG Parties, as applicable, and each person, if any, who controls the Company or any PEG Party within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act from and against any and all losses, claims, damages and liabilities (including, without limitation, any legal or other expenses reasonably incurred in connection with defending or investigating any such action or claim) described in the indemnity contained in subsection (a) of this Section 10, as incurred, but only with respect to untrue statements or omissions or alleged untrue statements or omissions made in the Registration Statement or any amendment thereof, any Time of Sale Prospectus, the Canadian Final Prospectus, any issuer free writing prospectus, any Company information that the Company has filed, or is required to file, pursuant to Rule 433(d) under the Securities Act, or the Prospectus or any amendment or supplement thereto, with reference to information in reliance upon and in conformity with the Underwriters' Disclosure.

(c) In case any proceeding (including any governmental investigation) shall be instituted involving any person in respect of which indemnity may be sought pursuant to Section 10(a) or 10(b), such person (the "**indemnified party**") shall promptly notify, in writing, the person against whom such indemnity may be sought (the "**indemnifying party**") (but the failure to so notify an indemnifying party shall not relieve such indemnifying party from its obligations hereunder to the extent it was not materially prejudiced as a result thereof and in any event shall not otherwise relieve it from any liability that it may have otherwise than on account of this indemnity agreement), and the indemnifying party, upon request of the indemnified party, shall retain counsel reasonably satisfactory to the indemnified party to represent the indemnified party and any others the indemnifying party may designate in such proceeding and shall pay fees and disbursements of such counsel, calculated on a solicitor and his own client basis, related to such proceeding (in which case the indemnifying party shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the indemnified party or parties except as set forth below). In any such proceeding, any indemnified party shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such indemnified party unless (i) the indemnifying party and the indemnified party shall have mutually agreed to the retention of such counsel, (ii) the indemnifying party shall not have employed counsel satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of the institution of such action or (iii) the named parties to any such proceeding (including any impleaded parties) include both the indemnifying party and the indemnified party and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. It is understood that the indemnifying party shall not, in respect of the legal expenses of any indemnified party in connection with any proceeding or related proceedings in the same jurisdiction, be liable for (i) the fees and expenses of

---

more than one separate firm (in addition to any local counsel) for all Underwriter Indemnified Parties, (ii) the fees and expenses of more than one separate firm (in addition to any local counsel) for the Company, its directors, its officers who sign the Registration Statement and each person, if any, who controls the Company within the meaning of either such Section and (iii) the fees and expenses of more than one separate firm (in addition to any local counsel) for the PEG Parties and all persons, if any, who control any PEG Party within the meaning of either such Section, and that all such fees and expenses shall be reimbursed as they are incurred. In the case of any such separate firm for the Underwriters and such control persons and affiliates of any Underwriters, such firm shall be designated in writing by the Representatives. In the case of any such separate firm for the Company, and such directors, officers and control persons of the Company, such firm shall be designated in writing by the Company. In the case of any such separate firm for the PEG Parties and such control persons of the PEG Parties, such firm shall be designated in writing by the PEG Parties. The indemnifying party shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the indemnifying party agrees to indemnify the indemnified party from and against any loss or liability by reason of such settlement or judgment. Notwithstanding the foregoing, if at any time an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for fees and expenses of counsel as contemplated by this paragraph, such indemnifying party agrees that it shall be liable for any settlement of any proceeding effected without its written consent if such settlement is entered into more than 45 days after receipt by such indemnifying party of the aforesaid request and such indemnifying party shall not have reimbursed the indemnified party in accordance with such request prior to the date of such settlement. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement or compromise of, or consent to the entry of any judgment with respect to, any pending or threatened proceeding in respect of which any indemnified party is or could have been a party and indemnity or contribution could have been sought hereunder by such indemnified party, unless such settlement (x) includes an unconditional release of such indemnified party from all liability on claims that are the subject matter of such proceeding and (y) does not include a statement as to or an admission of fault, culpability or a failure to act, by or on behalf of any indemnified party.

(d) To the extent the indemnification provided for in Section 10(a) or 10(b) is unavailable to an indemnified party or insufficient in respect of any losses, claims, damages or liabilities referred to therein, then each indemnifying party under such paragraph, in lieu of indemnifying such indemnified party thereunder, shall contribute to the aggregate amount of such losses, claims, damages or liabilities incurred by such indemnified party, as incurred, (i) in such proportion as is appropriate to reflect the relative benefits received by the Company and the PEG Parties on the one hand and the Underwriters on the other hand from the offering of the Shares pursuant to this Agreement or (ii) if the allocation provided by clause (i) above is not available for any reason, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company and the PEG Parties on the one hand and of the Underwriters on the other hand in connection with the

---

statements or omissions that resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations. The relative benefits received by the Company and the PEG Parties on the one hand and the Underwriters on the other hand in connection with the offering of the Shares shall be deemed to be in the same respective proportions as the net proceeds from the offering of the Shares (before deducting expenses) received by each of the Company and the PEG Parties and the total underwriting commissions received by the Underwriters, in each case as set forth in the table on the cover of the Time of Sale Prospectus and the Prospectus, bear to the aggregate Public Offering Price of the Shares. The relative fault of the Company and the PEG Parties on the one hand and the Underwriters on the other hand shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company and the PEG Parties, on the one hand, or by the Underwriters, on the other hand, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The Underwriters' respective obligations to contribute pursuant to this Section 10 are several in proportion to the respective number of Shares they have purchased hereunder, and not joint.

(e) The Company, the PEG Parties and the Underwriters agree that it would not be just or equitable if contribution pursuant to this Section 10 were determined by *pro rata* allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation that does not take account of the equitable considerations referred to in Section 10(d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages and liabilities referred to in Section 10(d) shall be deemed to include, subject to the limitations set forth above, any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 10, no Underwriter shall be required to contribute any amount in excess of the amount by which total underwriting discounts and commissions received by it exceeds the amount of any damages that such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The remedies provided for in this Section 10 are not exclusive and shall not limit any rights or remedies which may otherwise be available to any indemnified party at law or in equity.

(f) The indemnity and contribution provisions contained in this Section 10 and the representations, warranties and other statements of the Company, the PEG Parties and the Underwriters contained in this Agreement shall remain operative and in full force and effect regardless of (i) any termination of this Agreement, (ii) any investigation made by or on behalf of any Underwriter, any person controlling any Underwriter or any affiliate of any Underwriter, any PEG Party or the Company and (iii) acceptance of and payment for any of the Shares. The provisions of this Section 10 shall not affect any agreement among the Company and the PEG Parties with respect to indemnification or contribution.

(g) The Company and the PEG Parties severally acknowledge and agree that the statements regarding delivery of Shares by the Underwriters set forth on the cover page of the Time of Sale Prospectus and the Prospectus, and, under the caption, "Underwriters (Conflicts of Interest)": (i) the fourth paragraph, concerning dealer concessions and sales to discretionary accounts; and (ii) the twelfth paragraph, concerning stabilizing transactions, in the Time of Sale Prospectus and the Prospectus constitute the Underwriters' Disclosure; and the Underwriters severally confirm that the statements are correct.

11. *Termination.* In addition to any other remedies which may be available to the Underwriters, the Representatives on behalf of the Underwriters shall be entitled to terminate and cancel their obligations under this Agreement, by notice given to the Company and the PEG Parties, if, after the execution and delivery of this Agreement and prior to the Closing Date: (i) any inquiry, investigation or other proceeding is commenced or any order is issued under or pursuant to any statute of the United States, Canada or of any state, province or territory thereof or otherwise (other than an inquiry, investigation, proceeding or order based upon the activities or alleged activities of the Underwriters or the Selling Firms), or there is any change of law, or the interpretation or administration thereof, which in the reasonable opinion of the Representatives operates to prevent or restrict the trading or the distribution of the Shares, (ii) there shall occur or be discovered by the Representatives any material change in the financial condition, assets, liabilities, business, affairs or operations of the Company and its subsidiaries (taken as a whole), which, in the Underwriters' reasonable opinion, makes it impracticable or inadvisable to proceed with the offer, sale or delivery of the Shares on the terms and in the manner contemplated by the Time of Sale Prospectus and the Prospectus, (iii) there has occurred any material change in the state of the financial markets, which, in the Representatives' reasonable opinion, makes it impracticable or inadvisable to proceed with the offer, sale or delivery of the Shares on the terms and in the manner contemplated by the Time of Sale Prospectus; (iv) there shall occur or have been announced any change or proposed change in the federal income tax laws of Canada or the United States, the regulations thereunder, current administrative decisions or practices or court decisions, any other applicable rules or the interpretation or administration thereof which, in any such case, in the Representatives' reasonable opinion, could be expected to have a Material Adverse Effect on the market price or value of the Shares, (v) trading generally shall have been suspended or materially limited on, or by, as the case may be, any of the New York Stock Exchange, the Nasdaq Global Select Market or the Toronto Stock Exchange, (vi) trading of any securities of the Company shall have been suspended on any exchange or in any over-the-counter market, (vii) a material disruption in commercial banking or securities settlement, payment or clearance services in the United States or Canada shall have occurred, (viii) any moratorium on commercial banking activities shall have been declared by Federal, New York State or Canadian authorities or (ix) there shall have occurred any outbreak or escalation of hostilities, or any change in financial markets, currency exchange rates or controls or any calamity or crisis that, in the Representatives' judgment, is material and adverse and which, singly or together with any other event specified in this clause (ix), makes it, in the Representatives' judgment, impracticable or inadvisable to proceed with the

---

offer, sale or delivery of the Shares on the terms and in the manner contemplated in the Time of Sale Prospectus or the Prospectus. If the Underwriters terminate their obligations hereunder pursuant to this Section 12, the Company's and the PEG Parties' only obligation to the Underwriters hereunder shall be limited to the Company's and any PEG Party's obligations under Section 10 and payment of expenses referred to in Section 8 hereof.

12. *Reliance on the Representatives.* All steps or other actions which must or may be taken by the Underwriters in connection with this Agreement shall be taken by the Representatives, with the exception of matters contemplated by Sections 3, 10, and 13 on the Underwriters' behalf, and the execution of this Agreement by the Underwriters shall constitute the authority of the Company and the PEG Parties for accepting notification of any such steps or other actions from the Representatives.

13. *Effectiveness; Defaulting Underwriters.* This Agreement shall become effective upon the execution and delivery hereof by the parties hereto.

(a) If, on the Closing Date or an Option Closing Date, as the case may be, any one or more of the Underwriters shall fail or refuse to purchase Shares that it has or they have agreed to purchase hereunder on such date, and the aggregate number of Shares which such defaulting Underwriter or Underwriters agreed but failed or refused to purchase is not more than one-tenth of the aggregate number of the Shares to be purchased on such date, the other Underwriters shall be obligated severally in the proportions that the number of Firm Shares set forth opposite their respective names in Schedule I bears to the aggregate number of Firm Shares set forth opposite the names of all such non-defaulting Underwriters, or in such other proportions as you may specify, to purchase the Shares which such defaulting Underwriter or Underwriters agreed but failed or refused to purchase on such date; *provided* that in no event shall the number of Shares that any Underwriter has agreed to purchase pursuant to this Agreement be increased pursuant to this Section 13 by an amount in excess of one-ninth of such number of Shares without the written consent of such Underwriter. If, on the Closing Date, (i) any Underwriter or Underwriters shall fail or refuse to purchase Firm Shares and the aggregate number of Firm Shares with respect to which such default occurs is more than one-tenth of the aggregate number of Firm Shares to be purchased on such date and (ii) arrangements satisfactory to you and the Company for the purchase of such Firm Shares are not made within 24 hours after such default, this Agreement shall terminate without liability on the part of any non-defaulting Underwriter, the Company or the PEG Parties. In any such case either you or the Company shall have the right to postpone the Closing Date, but in no event for longer than seven days, in order that the required changes, if any, in the Registration Statement, in the Time of Sale Prospectus, in the Prospectus or in any other documents or arrangements may be effected. If, on an Option Closing Date, any Underwriter or Underwriters shall fail or refuse to purchase Additional Shares and the aggregate number of Additional Shares with respect to which such default occurs is more than one-tenth of the aggregate number of Additional Shares to be purchased on such Option Closing Date, the non-defaulting Underwriters shall have the option to (i) terminate their obligation hereunder to purchase the Additional Shares to be sold on such Option Closing Date or (ii) purchase not less than the number of Additional Shares

---

that such non-defaulting Underwriters would have been obligated to purchase in the absence of such default. Any action taken under this paragraph shall not relieve any defaulting Underwriter from liability in respect of any default of such Underwriter under this Agreement.

(b) If any Underwriter defaults pursuant to this Section, neither the Company nor the PEG Parties shall be obligated to reimburse such defaulting Underwriter for its out-of-pocket expenses.

14. *Relationship with TMX Group Limited.* Each of Scotia Capital Inc. and CIBC World Markets Inc., or an affiliate thereof, owns or controls an equity interest in TMX Group Limited (the “**TMX Group**”) and has a nominee director serving on the TMX Group’s board of directors. As such, each such investment dealer may be considered to have an economic interest in the listing of securities on any exchange owned or operated by TMX Group, including the Toronto Stock Exchange, the TSX Venture Exchange and the Alpha Exchange. No person or company is required to obtain products or services from TMX Group or its affiliates as a condition of any such dealer supplying or continuing to supply a product or service.

15. *Entire Agreement.* This Agreement, together with any contemporaneous written agreements and any prior written agreements (to the extent not superseded by this Agreement) that relate to the offering of the Shares, represents the entire agreement between the Company and PEG Parties, on the one hand, and the Underwriters, on the other, with respect to the preparation of any preliminary prospectus, the Time of Sale Prospectus, the Prospectus, the conduct of the offering, and the purchase and sale of the Shares.

16. *Submission to Jurisdiction.* The Underwriters, the PEG Parties and the Company irrevocably submit to the non-exclusive jurisdiction of any New York State or United States Federal court sitting in The City of New York over any suit, action or proceeding arising out of or relating to this Agreement, the Prospectus, the Registration Statement, or the offering of the Shares. The Underwriters, the PEG Parties and the Company irrevocably waive, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of venue of any such suit, action or proceeding brought in such a court and any claim that any such suit, action or proceeding brought in such a court has been brought in an inconvenient forum.

Each of the Company and the PEG Parties severally acknowledge that in connection with the offering of the Shares to be sold by such party: (i) the Underwriters have acted at arm’s length, are not agents of, and have assumed no, and owe no fiduciary duties to, the Company and the PEG Parties, (ii) the Underwriters owe the Company and the PEG Parties only those duties and obligations set forth in this Agreement and prior written agreements (to the extent not superseded by this Agreement), if any, and (iii) the Underwriters may have interests that differ from those of the Company and the PEG Parties. The Company and the PEG Parties waive to the full extent permitted by applicable law any claims they may have against the Underwriters arising from an alleged breach of fiduciary duty in connection with the offering of the Shares.

17. *Judgment Currency.* If for the purposes of obtaining judgment in any court it is necessary to convert a sum due hereunder into any currency other than United States dollars, the

---

parties hereto agree, to the fullest extent permitted by law, that the rate of exchange used shall be the rate at which in accordance with normal banking procedures the Underwriters could purchase United States dollars with such other currency in The City of New York on the business day preceding that on which final judgment is given. The obligation of each of the Company and the PEG Parties with respect to any sum due from it to any Underwriter or any person controlling any Underwriter shall, notwithstanding any judgment in a currency other than United States dollars, not be discharged until the first business day following receipt by such Underwriter or controlling person of any sum in such other currency, and only to the extent that such Underwriter or controlling person may in accordance with normal banking procedures purchase United States dollars with such other currency. If the United States dollars so purchased are less than the sum originally due to such Underwriter or controlling person hereunder, the Company and the PEG Parties agree as a separate obligation and notwithstanding any such judgment, to indemnify such Underwriter or controlling person against such loss. If the United States dollars so purchased are greater than the sum originally due to such Underwriter or controlling person hereunder, such Underwriter or controlling person agrees to pay to the Company an amount equal to the excess of the dollars so purchased over the sum originally due to such Underwriter or controlling person hereunder.

18. *Counterparts.* This Agreement may be signed in two or more counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument.

19. *Applicable Law.* This Agreement shall be governed by and construed in accordance with the internal laws of the State of New York.

20. *Headings.* The headings of the sections of this Agreement have been inserted for convenience of reference only and shall not be deemed a part of this Agreement.

Incorporated

Schedule I to the Underwriting Agreement referred to below

c/o Morgan Stanley & Co. LLC  
1585 Broadway, 32nd Floor  
New York, New York 10036

Ladies and Gentlemen:

We have acted as special counsel for Pattern Energy Group Inc., a Delaware corporation (the "Company"), in connection with the Underwriting Agreement dated February 3, 2015 (the "Underwriting Agreement") with you and the other several Underwriters named in Schedule I thereto and Pattern Renewables LP, a Delaware limited partnership, as selling stockholder (the "Selling Stockholder"), and Pattern Energy Group LP, a Delaware limited partnership (together with the Selling Stockholder, the "PEG Parties"), under which you and such other Underwriters have severally agreed to purchase from the Company and the Selling Stockholder an aggregate of [X] shares (the "Shares") of the Company's Class A common stock, par value \$0.01 per share ("Class A Common Stock"), of which [X] Shares are to be issued and sold by the Company and [X] Shares are to be sold by the Selling Stockholder. [The Shares include [X] shares of Class A Common Stock to be purchased pursuant to the over-allotment option provided for by the Underwriting Agreement.]

We have examined originals or copies of such documents, corporate records, certificates of public officials and other instruments as we have deemed necessary or advisable for the purpose of rendering this opinion.

We have also participated in the preparation of the Company's registration statement on Form S-3 (File No. 333-199217) (other than the documents incorporated by reference therein (the "Incorporated Documents")) filed with the Securities and Exchange Commission (the "Commission") pursuant to the provisions of the Securities Act of 1933, as amended (the "Act"), relating to the registration of securities (the "Shelf Securities") to be issued from time to time by the Company and have participated in the preparation of the preliminary prospectus supplement

---

dated February 2, 2015 relating to the Shares and the prospectus supplement dated February 3, 2015 relating to the Shares (the "Prospectus Supplement"), and have reviewed the Incorporated Documents. The registration statement became effective under the Act upon the filing of the registration statement with the Commission on October 8, 2014 pursuant to Rule 462(e). To our knowledge, no stop order suspending the effectiveness of the registration statement has been issued. The registration statement at the date of the Underwriting Agreement, including the Incorporated Documents and the information deemed to be part of the registration statement at the time of effectiveness pursuant to Rule 430B under the Act, is hereinafter referred to as the "Registration Statement," and the related prospectus (including the Incorporated Documents) dated October 8, 2014 relating to the Shelf Securities is hereinafter referred to as the "Basic Prospectus." The Basic Prospectus, as supplemented by the Prospectus Supplement, in the form first used to confirm sales of the Shares (or in the form first made available by the Company to the Underwriters to meet requests of purchasers of the Shares under Rule 173 under the Act), is hereinafter referred to as the "Prospectus."

In rendering the opinions expressed herein, we have, without independent inquiry or investigation, assumed that (i) all documents submitted to us as originals are authentic and complete, (ii) all documents submitted to us as copies conform to authentic, complete originals, (iii) all documents filed with or submitted to the Commission through its Electronic Data Gathering, Analysis and Retrieval ("EDGAR") system (except for required EDGAR formatting changes) conform to the versions of such documents reviewed by us prior to such formatting, (iv) all signatures on all documents that we reviewed are genuine, (v) all natural persons executing documents had and have the legal capacity to do so, (vi) all statements in certificates of public officials and officers of the Company and the Selling Stockholder that we reviewed were and are accurate and (vii) all representations made by the Company and the Selling Stockholder as to matters of fact in the documents that we reviewed were and are accurate.

Based upon the foregoing, and subject to the additional assumptions and qualifications set forth below, we are of the opinion that:

1. The Company is validly existing as a corporation in good standing under the laws of the State of Delaware, and the Company has corporate power and authority to enter into the Underwriting Agreement and to perform its obligations thereunder.
2. The Underwriting Agreement has been duly authorized, executed and delivered by the Company and each PEG Party.
3. The Shares to be sold by the Company have been duly authorized and, when issued and delivered to and paid for by the Underwriters pursuant to the Underwriting Agreement, will be validly issued, fully paid and non-assessable, and the issuance of such Shares is not subject to any preemptive or, to our knowledge, other similar rights.

- 
4. The Company is not, and after giving effect to the offering and sale of the Shares and the application of the proceeds thereof as described in the Prospectus will not be, required to register as an “investment company” as such term is defined in the Investment Company Act of 1940, as amended.
  5. The Company’s authorized equity capitalization is as set forth in the Prospectus. Based solely on a review of the minute books and stock books and records of the Company made available to us and a certificate from an officer of the Company as to factual matters, the Shares to be purchased by the Underwriters from the Selling Stockholder pursuant to the Underwriting Agreement have been duly authorized and validly issued.
  6. The execution and delivery by the Company and each PEG Party of, and the performance by the Company and each PEG Party of its obligations under, the Underwriting Agreement will not (i) contravene any provision of the laws of the State of New York or any federal law of the United States of America that in our experience is normally applicable to general business corporations in relation to transactions of the type contemplated by the Underwriting Agreement, or the General Corporation Law of the State of Delaware or the Delaware Revised Uniform Limited Partnership Act, provided that we express no opinion as to federal or state securities laws, (ii) violate the provisions of the charter or by-laws (or similar organizational documents) of the Company or the PEG Parties, or (iii) contravene any agreement identified on Schedule A hereto.
  7. No consent, approval, authorization, or order of, or qualification with, any governmental body or agency under the laws of the State of New York or any federal law of the United States of America that in our experience is normally applicable to general business corporations in relation to transactions of the type contemplated by the Underwriting Agreement, or the General Corporation Law of the State of Delaware or the Delaware Revised Uniform Limited Partnership Act, is required for the execution, delivery and performance by the Company and each PEG Party of its obligations under the Underwriting Agreement, except such as may be required under federal or state securities or Blue Sky laws as to which we express no opinion.
  8. Upon payment for the security entitlement in respect of the Shares to be sold by the Selling Stockholder to each of the several Underwriters as provided in the Underwriting Agreement and the crediting of such Shares on the records of The

---

Depository Trust Company (“DTC”) to a security account or security accounts in the name of such Underwriter (assuming that such Underwriter does not have notice of any adverse claim (as such phrase is defined in Section 8-105 of the Uniform Commercial Code as in effect in the State of New York (the “UCC”)) to such Shares or any security entitlement in respect thereof), (A) under Section 8-501 of the UCC, such Underwriter will acquire a security entitlement in respect of such Shares and (B) to the extent governed by Article 8 of the UCC, no action based on any “adverse claim” (as defined in Section 8-102 of the UCC) to such Shares may be asserted against such Underwriter; it being understood that for purposes of this opinion, we have assumed that when such payment and crediting occur, (x) such Shares will have been registered in the name of Cede & Co. or such other nominee as may be designated by DTC, in each case on the Company’s share registry in accordance with its certificate of incorporation, bylaws and applicable law, (y) DTC will be registered as a “clearing corporation” within the meaning of Section 8-102 of the UCC and (z) appropriate entries to the securities account or accounts in the name of such Underwriter on the records of DTC will have been made pursuant to the UCC.

We have considered the statements included in the Prospectus under the caption “Description of Capital Stock” insofar as they summarize provisions of the certificate of incorporation and by-laws of the Company, the General Corporation Law of the State of Delaware or the federal laws of the United States of America. In our opinion, such statements fairly summarize these provisions in all material respects. The statements included in the Prospectus under the caption “Material U.S. Federal Income Tax Considerations for Non-U.S. Holders of Our Class A Common Stock,” insofar as they purport to describe provisions of U.S. federal income tax laws or legal conclusions with respect thereto, in our opinion fairly and accurately summarize the matters referred to therein in all material respects.

We are members of the Bar of the State of New York, and the foregoing opinion is limited to the laws of the State of New York, the federal laws of the United States of America, the General Corporation Law of the State of Delaware and the Delaware Revised Uniform Limited Partnership Act, except that we express no opinion as to any law, rule or regulation that is applicable to the Company, the Selling Stockholder, the Underwriting Agreement, the Shares or such transactions solely because such law, rule or regulation is part of a regulatory regime applicable to any party to the Underwriting Agreement or any of its affiliates due to the specific assets or business of such party or such affiliate.

This opinion is rendered solely to you and the other several Underwriters in connection with the Underwriting Agreement. This opinion may not be relied upon by you or the several other Underwriters for any other purpose or relied upon by any other person (including any person acquiring Shares from the several Underwriters) or furnished to any other person without our prior written consent.

the form first used to confirm sales of the Shares (or in the form first made available by the Company to the Underwriters to meet requests of purchasers of the Shares under Rule 173 under the Act), is hereinafter referred to as the “Prospectus.”

We have, without independent inquiry or investigation, assumed that all documents filed with or submitted to the Commission through its Electronic Data Gathering, Analysis and Retrieval (“EDGAR”) system (except for required EDGAR formatting changes) conform to the versions of such documents reviewed by us prior to such formatting.

The primary purpose of our professional engagement was not to establish or confirm factual matters or financial, accounting or quantitative information. Furthermore, many determinations involved in the preparation of the Registration Statement, the Disclosure Package and the Prospectus are of a wholly or partially non-legal character or relate to legal matters outside the scope of our opinion separately delivered to you today in respect of certain matters under the laws of the State of New York, the federal laws of the United States of America, the General Corporation Law of the State of Delaware and the Delaware Revised Uniform Limited Partnership Act. As a result, we are not passing upon, and do not assume any responsibility for, the accuracy, completeness or fairness of the statements contained in the Registration Statement, the Disclosure Package or the Prospectus, and we have not ourselves checked the accuracy, completeness or fairness of, or otherwise verified, the information furnished in such documents (except to the extent expressly set forth in our opinion letter separately delivered to you today as to statements included in the Prospectus under the caption “Description of Capital Stock”). However, in the course of our acting as counsel to the Company in connection with the preparation of the Registration Statement, the Disclosure Package and the Prospectus, we have generally reviewed and discussed with your representatives and your counsel and with certain officers and employees of, and independent public accountants for, the Company, Panhandle Wind Holdings LLC, Panhandle B Member 2 LLC and South Kent Wind LP, and Canadian counsel to the Company the information furnished, whether or not subject to our check and verification. We have also reviewed and relied upon certain corporate records and documents, letters from counsel and accountants and oral and written statements of officers and other representatives of the Company and others as to the existence and consequence of certain factual and other matters.

On the basis of the information gained in the course of the performance of the services rendered above, but without independent check or verification except as stated above:

(i) the Registration Statement and the Prospectus appear on their face to be appropriately responsive in all material respects to the requirements of the Act and the applicable rules and regulations of the Commission thereunder; and

(ii) nothing has come to our attention that causes us to believe that, insofar as relevant to the offering of the Shares:

(a) on the date of the Underwriting Agreement, the Registration Statement contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading,

(b) at [✕] [A/P].M. (c) the Prospectus as of the date of the Underwriting Agreement or as of the date hereof contained or contains any untrue statement of a material fact or omitted or omits to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

In providing this letter to you and the other several Underwriters, we have not been called to pass upon, and we express no view regarding, the financial statements or financial schedules or other financial or accounting data included in the Registration Statement, the Disclosure Package or the Prospectus. In addition, we express no view as to the conveyance of the Disclosure Package or the information contained therein to investors.

This letter is delivered solely to you and the other several Underwriters in connection with the Underwriting Agreement. Very truly yours,

**Form of Opinion of Dyann S. Blaine**

- i. To the best of my knowledge, the execution and delivery of the Underwriting Agreement by the Company and the PEG Parties, the issuance and sale of the Shares by the Company to you and the other Underwriters pursuant to the Underwriting Agreement, do not on the date hereof conflict with, result in a breach or violation of or constitute a default under any judgment, order or decree of any governmental body, agency or court having jurisdiction over the PEG Parties or Company or any Company Subsidiary, except for any such breach, violation, or default would not, individually or in the aggregate, reasonably be expected to have a material adverse effect on the condition (financial or otherwise), shareholders' equity, business, properties, results of operations of the Company and the Company Subsidiaries, taken as a whole.
- ii. The shares of Class A Common Stock outstanding as of the date hereof (including the Shares to be sold by Pattern Renewables) have been duly authorized and are validly issued, fully paid and non-assessable.
