- (e) such Transfer would result in the Partnership no longer being eligible to participate in and receive payments from the Power Authority under the Power Purchase Agreement in respect of the Project, unless such result would not occur if a consent or approval is first obtained and such consent or approval is so obtained;
- (f) the Transferee (i) appears on the Specially Designated Nationals and Blocked Persons List of the Office of Foreign Assets Control in the United States Department of the Treasury; (ii) is a Person with whom a transaction is prohibited by applicable provisions of Executive Order 13224, the *USA Patriot Act*, the *Trading with the Enemy Act* or the foreign asset control regulations of the United States Treasury Department, in each case as amended from time to time; (iii) is Controlled by any Person described in (i) or (ii); or (iv) has its principal place of business located in any country with whose citizens the Partnership is prohibited from entering into transactions pursuant to the requirements set forth in (ii);

- (m) an interest in the Transferee is a “tax shelter investment” as defined in subsection 143.2(1) of the Income Tax Act;
- (n) if the Transferee is a partnership, an interest in the Transferee is held, directly or indirectly through one or more other partnerships, by another partnership where an interest in such other partnership is a “tax shelter investment” as defined in subsection 143.2(1) of the Income Tax Act; or
- (o) the Transfer causes or will cause the Partnership to become a “SIFT partnership” for the purposes of the Income Tax Act.

7.3 Permitted Transfer

- (1) Permitted by PSP. Notwithstanding Section 7.1 but subject to Sections 7.2, 7.8 and 7.10, PSP may, at any time and from time to time, Transfer any Units held by it upon prior notice to the other Partners but without first obtaining consent thereof:
 - (a) to a Controlled Affiliate of PSP without first complying with Section 7.5 or 7.6, provided that such Transfer complies with Section 7.4; and
 - (b) to any other Person pursuant to, and in compliance with, Section 7.5.
- (2) Permitted by Pattern. Notwithstanding Section 7.1 but subject to Sections 7.2, 7.8 and 7.10, Pattern may, at any time and from time to time, Transfer any Units held by it upon prior notice to the other Partners but without first obtaining consent thereof:
 - (a) to a Controlled Affiliate of Pattern without first complying with Section 7.5 or 7.6 provided that such Transfer complies with Section 7.4; and
 - (b) to any other Person pursuant to, and in compliance with, Section 7.5, 7.6 and 7.7, as applicable.

7.4 Permitted Transfers to Controlled Affiliates

- (1) Notwithstanding Section 7.1 but subject to Sections 7.2, 7.8 and 7.10, a Limited Partner who is not then in default of its obligations under this Agreement will be entitled to Transfer to a Controlled Affiliate, without first complying with Section 7.5 or 7.6 or, for greater certainty, Article 11, title to all or part of its Units to one or more of its Controlled Affiliates, provided that:
 - (a) the Transferor first establishes to the satisfaction of the General Partner, acting reasonably, (and if the General Partner does not agree that the Transferee is a

Permitted Transferee then the matter shall be subject to the dispute resolution procedures outlined in Section 15.13) that the Person to which it is transferring its Units is a Permitted Transferee;

- (b) a copy of the document or instrument effecting the Transfer is delivered to the General Partner;
- (c) the other Partners receive prior written notice of such Transfer; and
- (d) where the Transferor transfers less than all of its Units to a Controlled Affiliate, all Units held or acquired by such Transferor and its Controlled Affiliate(s) shall be aggregated together for the purpose of determining the availability of any rights under this Agreement, and (i) such Transferor and its Controlled Affiliate(s) may apportion such rights as among themselves in any manner they deem appropriate and (ii) shall be jointly and severally liable for their respective obligations under this Agreement.

7.5 Right of First Offer re: Transfer of Units by Limited Partners

- (1) If either Limited Partner (as applicable, the “**ROFO Offeree**”) desires to Transfer all or any portion of its Units to any Third Party, then the ROFO Offeree shall give the other Limited Partner, as applicable (the “**ROFO Offeror**”), written notice setting forth the details of the Units to be Transferred (the “**Subject Ownership Interest**”) and any other material terms of the proposed Transfer reasonably known or anticipated by the ROFO Offeree (a “**ROFO Notice**”).
- (2) Within forty-five (45) days after delivery of a ROFO Notice, the ROFO Offeror shall either: (a) deliver a written offer to the ROFO Offeree to purchase the Subject Ownership Interest (a “**ROFO Offer**”) or (b) deliver a written notice to the ROFO Offeree that the ROFO Offeror will not make a ROFO Offer (a “**ROFO Declination**”). If the ROFO Offeror fails to deliver either a ROFO Offer or a ROFO Declination within such forty-five (45)-day period, the ROFO Offeror will be deemed to have delivered a ROFO Declination.
- (3) Unless a ROFO Offer is accepted pursuant to written notice from the ROFO Offeree to the ROFO Offeror within ten (10) days following the delivery of a ROFO Offer (the “**ROFO Acceptance Period**”), such ROFO Offer shall be deemed to have been rejected by the ROFO Offeree. In the event that the ROFO Offeree validly rejects a ROFO Offer or the ROFO Offeror delivers or is deemed to have delivered a ROFO Declination, subject to complying with its obligations pursuant to Section 7.6, the ROFO Offeree shall be free to Transfer the Subject Ownership Interest to any Third Party; *provided* that in the event the ROFO Offeror has previously delivered a ROFO Offer that was rejected by the ROFO Offeree, the ROFO Offeree shall only be permitted to enter into a definitive agreement to Transfer the Subject Ownership Interest (A) during the nine month period following the expiration of the ROFO Acceptance Period, (B) at a price greater than or equal to 105% of the price offered in the ROFO Offer, and (C) on terms and conditions (economic and otherwise) that are not materially less favorable (in the aggregate) to the ROFO Offeree than the terms and conditions set forth in the ROFO Offer. If at the end

of such nine month period the ROFO Offeree shall not have completed the Transfer of the Subject Ownership Interest, then it shall once again be required to comply with this Section 7.5.

- (4) If a ROFO Offer is accepted during the ROFO Acceptance Period the ROFO Offeror shall acquire the Subject Ownership Interest, and the ROFO Offeree shall Transfer the Subject Ownership Interest to the ROFO Offeror, at the price and on the terms and conditions set forth in the ROFO Offer; *provided* that neither party shall be required to provide any representations or warranties with respect to such Transfer other than customary fundamental representations and warranties as to ownership, title and due authorization.
- (5) A sale by a ROFO Offeree of a Subject Ownership Interest to a ROFO Offeror shall be completed in accordance with the provisions in Article 11, provided however, that the closing of such sale shall be not later than ninety (90) days from the date on which the ROFO Offer is accepted and the consideration paid to the ROFO Offeree by the ROFO Offeror shall be as set out in the ROFO Offer or such later date as may be required to facilitate obtaining any required consents or approvals of any Governmental Agency or counterparty to a Project Agreement that is required in connection with such sale.

7.6 Tag-Along Rights

Subject to first complying with Section 7.5, if at any time Pattern desires to effect a *bona fide* Transfer of some or all of its Units whether in one transaction or a series of related transactions (the “**Tag Sale Interests**” and, any such transactions or series of related transactions, a “**Tag Along Sale**”) to any Third Party (a “**Tag Along Purchaser**”), then Pattern shall be required to provide PSP with at least thirty (30) days’ prior written notice (the “**Tag Along Notice**”) of such proposed Tag Along Sale. Such Tag Along Notice shall (A) identify the Tag Along Purchaser, the amount of Tag Sale Interests proposed to be Transferred by Pattern, the percentage of the then-issued and outstanding Units that such proposed Tag Sale Interests represents, the price per Tag Sale Interest, and a summary of the other material terms and conditions of the proposed Tag Along Sale and (B) be accompanied by forms of all agreements (including any schedules, exhibits and annexes thereto) to be entered into by or on behalf or for the account or otherwise for the benefit of Pattern in connection with the proposed Transfer. Within twenty (20) days following receipt by PSP of the Tag Along Notice, PSP may, by providing written notice (which notice shall be deemed to be irrevocable when sent) (the “**Tag Along Acceptance Notice**”) to Pattern, elect to Transfer to the Tag Along Purchaser, as part of the Tag Along Sale, an amount of Units owned by PSP (the “**Tagging Interests**”) up to the total amount of issued and outstanding Units proposed to be Transferred to the Tag Along Purchaser pursuant to the Tag Along Sale *multiplied* by PSP’s Unit Interest, at the same purchase price per Unit as Pattern and otherwise on the same terms therefor and subject to the same conditions thereto. Neither Pattern nor any Affiliate thereof shall have entered into any collateral agreement, commitment or understanding with the Tag Along Purchaser or its affiliates that has or would have the effect of providing to Pattern or any such Affiliate consideration of greater value than the consideration offered pursuant to the Tag Along Sale; *provided* that such restriction shall not apply to any commercial agreement in effect at the time of such transaction (including, for the avoidance of doubt, the O&M Contract and PAA) that was entered into following receipt of any approvals, if any, required by PSP pursuant to Section 3.3 of the

Shareholders Agreement. If the Tag Along Purchaser does not accept all of the Tagging Interests tendered by PSP, then Pattern shall have the option to either (a) proportionately reduce the number of Tag Sale Interests and Tagging Interests to account for the maximum number of ownership interests that the Tag Along Purchaser is willing to purchase or (b) abandon the Tag Along Sale. If PSP does not deliver a Tag Along Acceptance Notice within twenty (20) days after receipt of the Tag Along Notice, PSP shall be deemed to have waived its rights with respect to the Transfer of its Units pursuant to the applicable Tag Along Sale and Pattern shall have until one hundred eighty (180) days after the expiration of such twenty (20) day period after the date of the Tag Along Notice in which to Transfer the ownership interests described in the Tag Along Notice on terms not materially more favorable (in the aggregate) to Pattern than those set forth in the Tag Along Notice. If at the end of such one hundred eighty (180) day period Pattern shall not have completed the Transfer of all of Pattern's ownership interests contemplated to be Transferred in the Tag Along Notice (reduced to account for any and all Tagging Interests (if any)), then PSP's tag along rights shall again apply with respect to any such unsold ownership interests.

7.7 Drag Along Rights

- (1) Subject to first complying with its obligations pursuant to Section 7.5, at any time, if Pattern desires to effect a *bona fide* Transfer of all (but not less than all) of its Units whether in one transaction or a series of related transactions (the "**Drag Sale Interests**" and, any such transactions or series of related transactions, a "**Drag Along Sale**") to any Third Party for cash, then Pattern shall (in its sole discretion) be permitted to deliver written notice to PSP of such Drag Along Sale no later than fourteen (14) days prior to the anticipated date of consummation of such Drag Along Sale (the "**Drag Along Notice**"). Such Drag Along Notice shall (a) identify the purchaser, the purchase price per Drag Sale Interests therefor and a summary of the other material terms and conditions of the proposed Drag Along Sale and (b) be accompanied by forms of all agreements (including any schedules, exhibits and annexes thereto) to be entered into by or on behalf or for the account or otherwise for the benefit of Pattern, as applicable, in connection with the Drag Along Sale. Following receipt of the Drag Along Notice, PSP shall be obligated to sell to the purchaser all of PSP's Units at the same purchase price per security, and otherwise on the same terms therefor and subject to the same conditions thereto, as Pattern.
- (2) Pattern shall not have entered into any collateral agreement, commitment or understanding with the purchaser or its affiliates that has or would have the effect of providing to Pattern consideration of greater value than the consideration offered pursuant to the Drag Along Sale; *provided* that such restriction shall not apply to any commercial agreement in effect at the time of such transaction (including, for the avoidance of doubt, the O&M Contract and PAA) that was entered into following receipt of any approvals, if any, required by PSP pursuant to Section 3.3 of the Shareholders Agreement.
- (3) PSP shall not be required to make any representations or warranties with respect to the Drag Along Sale other than customary fundamental representations and warranties as to ownership, title and due authorization and PSP shall be solely responsible for the accuracy of such representations and warranties (and shall not have any liability for any

such fundamental representations and warranties of Pattern). Notwithstanding the foregoing, PSP shall only be responsible for any indemnification obligations, escrow amounts and holdback amounts in connection with the Drag Along Sale (including with respect to any representations and warranties made by Pattern (other than the fundamental representations and warranties referred to above)) on a several and proportionate (and not joint and several) basis in accordance with its Unit Interest relative to Pattern. PSP shall not be required to enter into or be bound by any non-compete or similar restrictive covenants in connection with any Drag Along Sale.

- (4) If PSP is not represented on the closing date of the Drag Along Sale or is represented but fails for any reason whatsoever to produce and deliver any required instruments and documents as may be necessary or desirable to give effect to the sale and transfer of applicable Units held by PSP and as may be necessary to discharge any encumbrance that affects such Units (collectively, the “**Third Party Transfer Documents**”) to the Third Party, then the price per Unit payable to PSP in connection with the Drag Along Sale, subject to the provisions of this Agreement (including Section 11.5), may be deposited by the Third Party in a special account in the name of PSP at a branch of the bank used by the Third Party. Such deposit shall constitute valid and effective payment of any purchase price payable to PSP pursuant to this Section 7.7 even though PSP has, in breach of this Agreement, voluntarily encumbered or disposed of any of the Units and notwithstanding the fact that a conveyance or conveyances or assignment or assignments of the Units may have been delivered in breach of this Agreement to any alleged pledgee, transferee or other Person. If the purchase price payable to PSP pursuant to this Section 7.7 is deposited as aforesaid then, from and after the date of such deposit, and even though the Third Party Transfer Documents have not been delivered to the Third Party, the purchase of the Units being sold by PSP shall be deemed to have been fully completed and all right, title, benefit and interest, both at law and in equity, in and to such Units shall be conclusively deemed to have been transferred and assigned to and become vested in the Third Party and all right, title, benefit and interest, both at law and in equity, of PSP, or of any transferee, assignee or any other Person having any interest, legal or equitable, therein or thereto shall cease and determine, provided, however, that PSP shall be entitled to receive the purchase price payable to PSP pursuant to this Section 7.7 so deposited, with interest, upon delivery to the Third Party of the Third Party Transfer Documents.
- (5) PSP hereby irrevocably constitutes and appoints the Third Party as its true and lawful attorney and agent in the name of and on behalf of PSP to execute and deliver in the name of PSP all such assignments, transfers, deeds or instruments as may be necessary to effectively transfer and assign the Units held by PSP to the Third Party, provided that such assignments, transfers, deeds and instruments do not conflict with the provisions of this Section 7.7. Such appointment and power of attorney, being coupled with an interest, shall not be revoked by the dissolution, winding-up, bankruptcy or insolvency of PSP and PSP hereby ratifies and confirms and agrees to ratify and confirm all that the Third Party may lawfully do or cause to be done by virtue of the provisions hereof. PSP hereby irrevocably consents to the transfer of its Units made pursuant to the provisions of this Section 7.7.

- (6) PSP and its Permitted Transferees shall be obligated to, and hereby do, waive any dissenters' rights, appraisal rights or similar rights in connection with any Drag Along Sale.
- (7) If, substantially concurrently with the closing of a Drag-Along Sale, the purchaser in such transaction terminates or agrees to terminate the O&M Contract and/or PAA, Pattern will waive any termination fees payable under the terminated O&M Contract or PAA, as applicable.

7.8 Conditions to Admission

As conditions to the admission of a Transferee of a Limited Partner as a substituted limited partner, any such Person will:

- (a) execute and acknowledge such instruments, in form and substance satisfactory to the General Partner, as the General Partner will deem necessary or desirable to effectuate such admission and to confirm the agreement of the Person being admitted as a substituted limited partner to be bound by all of the terms and provisions of this Agreement and to continue the Partnership without its dissolution or termination or its becoming a general partnership under the laws of the Province of British Columbia;
- (b) represent and warrant to the Partnership and the other Partners that it is not a non- resident of Canada for purposes of the *Income Tax Act*, or that it is, if a partnership, a "Canadian partnership" for purposes of the *Income Tax Act*; and
- (c) pay all reasonable expenses in connection with such admission, including the cost of preparing and filing of any necessary amendments of the Certificate.

7.9 Restrictions on Transfer

Notwithstanding anything to the contrary in this Article 7 but subject to Section 7.2 and any requirement or prohibition of any lender under the Project Financing, no Partner shall be entitled to Transfer any Units pursuant to this Article 7 or if such Transfer would breach any term of or cause a default under the Power Purchase Agreement, unless such Transfer is permitted thereunder if a consent or approval is first obtained and such consent or approval is so obtained. In addition, PSP may not Transfer any Units, at any time, to a Competitor. In addition, no Limited Partner may Transfer any Units (other than to a Controlled Affiliate) unless such Limited Partner or its Affiliate holding shares in the capital of the General Partner also Transfers all or part of such shares to the Transferee (or its Affiliate) in accordance with Section 5.6 of the Shareholder Agreement.

7.10 Continuing Obligations

Subject (for certainty) to Section 7.4(1)(d), any Limited Partner who Transfers all of its Units in accordance with the terms of this Agreement will be released and discharged from the further performance of its covenants and obligations under this Agreement from and after the date of the Transfer and compliance by the Transferee with this Article 7 except for its

obligations under Article 12 and any other obligations of this Agreement which by their terms are to survive any such Transfer.

7.11 Pledge of Units

Except as required pursuant to the terms of any Project Financing, no General Partner or Limited Partner will be permitted to Transfer any of its Units by way of an Encumbrance to any other Person or otherwise grant a lien on any of its Units without the prior written consent of the General Partner (in the case of a transfer by a Limited Partner) or the Limited Partners (in the case of a transfer by the General Partner), which consent may be unreasonably or arbitrarily withheld; provided, however, that any collateral assignment to any lender(s) or agent on behalf of such lender(s) of any indirect interest in a General Partner or direct or indirect interest in a Limited Partner (an “**Upstream Pledge**”), or any foreclosure of such collateral assignment by such lender(s) or such agent (an “**Upstream Realization**”) and subsequent disposition of such indirect interest in a General Partner or direct or indirect interest in a Limited Partner shall be permitted so long as (a) any subsequent disposition, sale, assignment, transfer, conveyance, gift, exchange or other disposition by such lender or agent of its indirect interest in a General Partner or direct or indirect interest in a Limited Partner is to a Qualified Transferee and (b) such subsequent disposition, sale, assignment, transfer, conveyance, gift, exchange or other disposition by such lender or agent of such indirect interest in a General Partner or direct or indirect interest in a Limited Partner complies with the transfer restrictions hereunder including Article 7.

Notwithstanding anything to the contrary herein, the General Partner (including any substituted general partner of the Partnership from time to time) may pledge or otherwise grant a security interest in any of its Units as General Partner in connection with any Project Financing being provided to the Partnership. Transfers of such Units to a secured party or any subsequent transferee in connection with any such financing are permitted.

Notwithstanding anything to the contrary herein of the Agreement, any Limited Partner (including any substituted or additional limited partners of the Partnership from time to time) may pledge or otherwise grant a security interest in any of its Units as Limited Partner in connection with any Project Financing being provided to the Partnership. Transfers of such Units to a secured party or any subsequent transferee in connection with any such financing are permitted.

7.12 Indirect Transfers

- (1) A Transfer of the units or other equity interest in a Limited Partner or in any Person that directly or indirectly holds units or other equity interests in such Limited Partner (other than an Upstream Pledge or Upstream Realization or as permitted pursuant to Section 7.12(2)) shall not constitute a Transfer by the Limited Partner of its Units provided that (a) where the Limited Partner is Patten, that after such Transfer, PEGI continues to ultimately Control Patten, and (b) where the Limited Partner is PSP, that after such Transfer, Public Sector Pension Investment Board continues to ultimately Control PSP.

- (2) For certainty, a Transfer of the units or other equity interests in PEGI or Public Sector Pension Investment Board or their respective direct and indirect owners shall not constitute a Transfer for purposes of this Agreement.

7.13 No Right of First Offer

None of the rights of first offer, “drag-along” or “tag-along” rights contained in this Article 7 shall be triggered by (a) a Transfer pursuant to a pledge to a Third Party lender as required pursuant to the terms of any Project Financing (b) a Transfer by such Third Party lender pursuant to a realization of such security, or (c) a Transfer of Units in accordance with Section 7.7.

ARTICLE 8 ALLOCATION OF PROFITS AND LOSSES

8.1 Distributions

- (1) Subject to any restriction imposed by the lender under the Project Financing, the Partnership shall declare and pay as a distribution all available cash as soon as possible following receipt thereof but no more frequently than monthly and no less frequently than annually. For purposes of this Section 8.1, “**available cash**” will mean all surplus cash amounts, earnings or available capital of the Partnership after the payment of all expenses (including capital costs, taxes, debt service and reserve funding required under the terms of the Project Financing) and after deducting reasonable reserves for existing or reasonably foreseeable obligations, including reserves contained in the then applicable Project Operating Budget for operations or future capital expenses, all as may be determined by the General Partner from time to time, acting reasonably. No distributions shall be declared by the Partnership at any time prior to the Operational Phase.
- (2) Any distributions made by the Partnership on the Units shall be made to Partners *pro rata* based on their Unit Interests such that each Partner shall receive an amount equal to such holder’s Unit Interest of such distribution.
- (3) The General Partner may, in its discretion, determine whether any such distribution shall be a return of capital, an income distribution or otherwise.
- (4) Each distribution shall be made only in cash unless unanimously agreed by the Partners.

8.2 Ownership of Partnership Property

The interest of a Partner in the Partnership does not represent or include an undivided interest or other direct real or personal interest in the Partnership property except for such interest in such property or assets as may be distributed to Partners as a result of dissolution or winding-up of the Partnership.

8.3 Partnership Profit or Loss; Allocations

The General Partner will determine the Partnership Profits or Partnership Losses for each Fiscal Year and allocate it among the Partners in a manner consistent with the distribution

provisions set out in Section 8.1. In so allocating the Partnership Profits or Partnership Losses, the General Partner shall act reasonably and fairly, taking into account the amount and timing of actual and anticipated distributions to each of the Partners (including the General Partner), with a view to ensuring that, over the term of the Partnership, each Partner is allocated a portion of the Partnership Profits that substantially corresponds to the Partnership Profits that are distributed to that Partner. For clarity, all revenues and payments received by the Partnership from the conduct of the Business in respect of the Project will be revenues of the Partnership and will form part of the Partnership Profit or Partnership Losses for each Fiscal Year and will be allocated among the Partners in accordance herewith.

8.4 Income Tax Allocation

The General Partner will determine the Tax Income or Tax Losses for each Fiscal Year of the Partnership at the end of such Fiscal Year, or more frequently as required by Applicable Law or upon the Transfer of Units, for income tax purposes, and will allocate the Tax Income or Tax Losses, and any other relevant amounts for the purposes of the Income Tax Act among the Partners in a manner consistent with the distribution provisions set out in Section 8.1. Notwithstanding the foregoing, the General Partner shall make such elections and take such actions as are allowable and necessary to avoid the recognition or allocation of Tax Losses.

8.5 Tax Returns

The General Partner will prepare and file all tax returns and related information for the Partnership and will pay out all taxes and other governmental charges due to be paid from time to time to the applicable Governmental Agency. The General Partner will provide to each Partner for review the annual partnership tax returns of the Partnership thirty (30) days prior to the filing due date set by the applicable Governmental Agency. Such Partners will then have fifteen (15) days to review and comment on such Partnership tax returns from receipt thereof in accordance herewith. GST returns prepared by the General Partner will not be subject to review by the Partners prior to the filing thereof with the applicable Governmental Agency, however, GST returns that have already been filed by the General Partner will be provided to any Partner for review upon reasonable request by such Partner. The General Partner, on behalf of the Partnership, may engage the PAA Provider who will assist it for the performance of the obligations set forth in this Section 8.5.

The General Partner will prepare and timely file a United States Department of the Treasury Form 1065 - U.S. Return of Partnership Income for any year in which a Partner transfers a Partnership interest or in which the Partnership distributes property of the Partnership to any Partner. Such Form 1065 shall include an election under Internal Revenue Code Section 754 to adjust the basis of Partnership assets for U.S. tax purposes.

8.6 Fiscal Year

The fiscal year of the Partnership (the "**Fiscal Year**") will commence on January 1 and end on December 31 of each year, or on such other date as will be determined by the General Partner from time to time; except that the initial Fiscal Year of the Partnership commenced on the date the Certificate was filed and the final Fiscal Year of the Partnership will end on the date of dissolution or other termination of the Partnership.

- (3) Each Limited Partner will bear its own costs for access to, and any audit or review by its Representatives and auditors referred to in this Section 9.2, including any costs associated with making photocopies of documents.

9.3 Selection of Auditor and Reporting

If the Annual Financial Statements are not required to be audited pursuant to the terms of the Project Financing, then PSP shall have the right to request an audit of the Partnership, in which case the General Partner shall use commercially reasonable efforts to produce audited Annual Financial Statements, to be prepared (at PSP’s sole cost and expense) in an expeditious manner.
- (4) The General Partner will prepare and deliver to each of the Limited Partners within sixty (60) days after the end of each quarter of each Fiscal Year (including the final quarter of each Fiscal Year), a reasonably detailed report summarizing the status of the activities of the Partnership as at the end of the applicable quarter, financial and operational results data and reforecasting (if applicable) and a distribution forecast (including calculations of debt services coverage ratio and forecasted distributions to partners, which will include the unaudited unconsolidated quarterly financial statements of the Partnership for the quarter then ended (which do not include footnotes), including a balance sheet, a statement of income (profit and loss) and a statement of Partners’ capital and a related statement of changes in cash flow for such quarter (all of which will contain comparisons to the prior year) and will contain notes explaining material balances set out in the balance sheet and income statements and which specify the accounting standard used (the “**Quarterly Financial Statements**”).

- (7) PSP shall be entitled (at its sole cost and expense) to have auditors engaged by PSP review, subject to such auditors agreeing to comply with customary confidentiality restrictions, any financial statements prepared in respect of the Partnership and all books and records and working papers related thereto; provided that any such reviews shall be scheduled upon reasonable advance notice by PSP and shall occur during normal business hours and shall be conducted in a manner not to unreasonably interfere with the business and operations of the Partnership, the General Partner or PEGI and its Affiliates.

Where the right to conduct any such review are subject to obligations of PEGI (or its Affiliates), the General Partner or the Partnership to, or limitations imposed by, any joint venture partners or contractual counterparties of the Partnership, the foregoing review rights of PSP will be subject to all such limitations and to full compliance by PEGI, the Partnership and PSP of all such obligations.

9.4 Accounting Principles

All calculations, reports, Financial Statements and projections required to be made or prepared hereunder will be made or prepared in accordance with GAAP.

ARTICLE 10 PARTNERSHIP MEETINGS

10.1 Partnership Meetings

- (1) The General Partner may at any time and shall, upon the written request of Limited Partners holding an aggregate Unit Interest of at least 25% requesting a meeting and stating the purpose for which the meeting is to be held, call a meeting of Limited Partners. If the General Partner fails or neglects to call such a meeting within five (5) days after receipt of the written request, any Limited Partner who was a party to the request may call the meeting of Limited Partners. For the avoidance of doubt, the Limited Partners shall only be entitled to approve or veto matters presented by the General Partner other than the matters referred to in Sections 4.10 and 13.3. Meetings of Limited Partners are to be held at such place in Toronto, Ontario or other city as the General Partner may designate or, in the event of a meeting called by Limited Partners in the aforesaid circumstances, at such place in Toronto, Ontario as the said Limited Partners may designate.
- (2) Notice of any Limited Partners' meeting shall be given to each Limited Partner and to the General Partner (unless such Partner waives in writing its right to receive such notice, which waiver may be made at any time before or after such Partners' meeting). The notice shall be mailed by prepaid post at least ten (10) Business Days and not more than thirty (30) days prior to the meeting and shall specify the time and place of the meeting and, in reasonable detail, the nature of all business to be transacted. Notice for adjourned meetings shall be mailed in accordance with the provisions of notice contained in Section 15.11, except that it need not specify the nature of the business to be transacted. Accidental failure to give notice to any Partner shall not invalidate a meeting or proceeding thereat.
- (3) The Chairman of all meetings will be chosen by the General Partner.
- (4) Two or more Limited Partners attending in person or represented by proxy holding an aggregate Unit Interest of at least 50.1% shall constitute a quorum at any meeting of the Partners. If a quorum is not present for a meeting of Partners within 30 minutes after the time fixed for holding the meeting, the meeting, if convened pursuant to a written request of Limited Partners, will be cancelled, but otherwise will be adjourned to such date not less than five or more than twenty-one (21) days after the original date for the meeting as

is determined by the General Partner at a time and location determined by the General Partner. The Limited Partners present at any such reconvened meeting shall constitute a quorum.

- (5) Each Unit shall entitle the holder to one vote.
- (6) The Chairman shall not have a casting vote. Every question submitted to a meeting shall be decided by a show of hands unless a poll is demanded by a Partner or the Chairman before the question is put or after the results of the show of hands has been announced and before the meeting proceeds to the next item of business, in which case a poll shall be taken.
- (7) At any meeting of Partners, any Limited Partner is entitled to vote by proxy in a form acceptable to the General Partner, provided the proxy shall have been received by the General Partner for verification prior to the meeting. Any individual may be appointed as proxy and every instrument of proxy shall be considered valid unless it is dated more than one year before the date of the meeting or is challenged by a Partner or holder of another proxy prior to or at the time of its exercise. The Chairman shall determine the validity of any challenged instrument of proxy.
- (8) Minutes and proceedings of every meeting of the Partners shall be made and recorded by the General Partner. Minutes, when signed by the Chairman of the meeting, shall be prima facie evidence of the matters therein stated. Until the contrary is proved, every meeting in respect of which minutes have been made shall be taken to have been duly held and convened and all proceedings referred to in the minutes shall be deemed to have been duly passed or not to have been passed, as the case may be.

ARTICLE 11 GENERAL SALE PROVISIONS

11.1 Warranties of Seller

Subject to the applicable limitations set forth in Article 7, each Partner shall do all such acts or things, including the execution of any Unit transfers, that may be necessary to effect the transfer of any Units to another Partner or a Third Party pursuant to this Section 11.1.

Each Transfer of Units between a seller and a buyer will, unless the seller and the buyer otherwise agree, be closed at the offices of the solicitors of the General Partner at 10:00 a.m. on the closing date specified in accordance with this Agreement.

11.2 Closing Conditions

At the time of closing of any Transfer of any Units between a seller and a buyer under this Agreement, the seller will table:

- (a) a certificate or certificates representing the Units being Transferred by the seller, duly endorsed in blank for transfer or accompanied by a duly executed stock power of transfer in appropriate form;

- (b) a release of any Encumbrances on the Units being Transferred; and
- (c) a certificate of the seller stating that the seller is not a non-resident of Canada for the purposes of the Income Tax Act or is, if the seller is a partnership, a “Canadian partnership” for purposes of the Income Tax Act.

11.3 Payment

The buyer will pay for the Units being purchased pursuant to this Agreement by a draft drawn on, or a cheque certified by, or a wire transfer initiated by a Canadian or U.S. chartered bank or trust company.

11.4 Allocation of Purchase Price

Unless otherwise specified herein, on any Transfer of Units the allocation of the purchase price for such Units will be to each Unit, equally per Unit.

11.5 Indebtedness between Seller and the Partnership

- (1) If, on the date of closing of any sale and purchase of all or any part of the Units of a seller, the seller is indebted to the Partnership or any of its Subsidiaries or has failed to return any property of the Partnership or any of its Subsidiaries, then, unless the General Partner and the seller otherwise agree in writing, the buyer will at the time of closing of such purchase and sale pay to the General Partner the purchase price payable for the Units being sold and the General Partner, acting reasonably, will apply such purchase price to repayment of the indebtedness of the seller to the Partnership or any Subsidiary, as the case may be, and, if applicable, retain an amount equivalent to the fair value of the property of the Partnership or any Subsidiary, as the case may be, as security for the return of such property. If the seller sells all of its Units and the indebtedness of the seller to the Partnership or any Subsidiary exceeds the purchase price for the Units being sold, then the seller will at the time of closing pay the balance of such indebtedness to the General Partner to retire such indebtedness. If the purchase price for the Units being sold exceeds the indebtedness of the seller to the Partnership or any Subsidiary, the General Partner will pay the balance to the seller at the time of closing of such sale and purchase less, if applicable, such amount as it may retain, acting reasonably, equivalent to the fair value of the property of the Partnership or any Subsidiary, as the case may be, as security for the return of such property.
- (2) If, on the date of closing of any sale and purchase of all of the Units of a seller, the Partnership or any Subsidiary is indebted to the seller, the Partnership or such Subsidiary will, at the time of closing, repay such indebtedness at its face value plus accrued and unpaid interest, if any.
- (3) Notwithstanding anything else herein contained, if on the date of closing of any sale and purchase of Units of a seller to a Third Party, a seller or its Affiliates is indebted to such Third Party or its Affiliates pursuant to this Agreement or for any other reason related to the Project, the Third Party shall be entitled to deduct the amount of such indebtedness from the purchase price of the Units in full satisfaction thereof.

11.6 Failure to Transfer Units

If any Limited Partner defaults in transferring Units pursuant to a Transfer that is required pursuant to Article 7, and except as otherwise provided in Section 7.7, the General Partner is authorized and directed to receive the purchase money therefor from the buyer and thereupon to record the transfer of Units, to enter the name of the buyer in the registers of the Partnership as the holder of the Units purchased by the buyer from the seller, and cause to be issued to the buyer Unit Certificates for such Units in the name of the buyer. The General Partner will hold the purchase money received by it in trust on behalf of the seller and will not commingle the purchase money with the General Partner's or the Partnership's assets, except that any interest accruing thereon will be for the account of the Partnership. The receipt by the General Partner of the purchase money will be a good discharge to the buyer and, after the name of the buyer has been entered in the registers of the Partnership as the holder of the Units purchased by it, the purchase and sale will be deemed completed at the price and on the terms and conditions contemplated herein and the buyer will for all purposes own the Units purchased by it. Upon such registration, the seller will cease to have any right to or in respect of the Units except the right to receive, without interest, the purchase money received by the General Partner upon surrender of any certificates that previously represented such Units.

ARTICLE 12 CONFIDENTIALITY

12.1 Confidentiality

- (1) Subject to the provisions of this Section 12.1, each Partner shall, and shall cause its Affiliates and its and their Representatives to, keep confidential all information, documentation and records obtained from the Partnership, its Affiliates or their respective Representatives as well as any information arising out of any Partner's access to the books and records of the Partnership (collectively, the "**Confidential Information**"); provided that except as set forth in Section 12.1(2), nothing herein shall restrict or prohibit any Partner from disclosing Confidential Information to its Representatives, in each case who first are instructed to maintain Confidential Information confidential on substantially similar terms as those contained in this Section 12.1(1); provided, further, that such Partner shall be liable for any breach of this Section 12.1 by any such Person as if such Partner had itself committed such breach. "**Confidential Information**" shall not include: (1) public information or information in the public domain at the time of its receipt by PSP or its Representatives; (2) information which becomes public through no fault or act of PSP or its Representatives; or (3) information received by PSP or its Affiliates in good faith from a third party lawfully in possession of the information and not in breach of any confidentiality obligations. PSP acknowledges that it is aware that (i) Confidential Information and Competitively Sensitive Information (as defined below) contains material, non-public information regarding the Partnership and its Affiliates and PEGI and (ii) United States and Canadian securities laws prohibit any persons who have material, non-public information from purchasing or selling securities of a company using such information or from communicating such information to any Person (including its Affiliates) under circumstances in which it is reasonably foreseeable that such Person is likely to purchase or sell such securities in reliance upon such information. PSP further confirms that it has in place internal information protection mechanisms to

prevent unauthorized use of the Confidential Information and Competitively Sensitive Information.

- (2) “**Competitively Sensitive Information**” shall mean information regarding the Partnership or its Affiliates that PEGI determines that one or more Affiliates of PSP could reasonably be expected to use to compete with PEGI. Notwithstanding anything to the contrary in this Agreement (including Article 9), in no event shall PSP be entitled to receive Competitively Sensitive Information, and PSP shall, and shall cause its Affiliates to, maintain any Competitively Sensitive Information of which it or any of their Representatives is or becomes aware in strict confidence; provided that the General Partner, on behalf of the Partnership, shall provide PSP with a commercially reasonable description of the nature of any Competitively Sensitive Information that would otherwise have been provided to PSP but for this Section 12.1(2) and shall use commercially reasonable efforts to provide substitute disclosure to PSP that, to the greatest extent practicable under the circumstances, will enable PSP to exercise its rights under this Agreement and the Shareholder Agreement in substantially the same manner as if PSP had full access to such Competitively Sensitive Information and that is otherwise reasonably satisfactory to PSP.
- (3) Notwithstanding anything to the contrary contained herein, nothing in this Agreement shall prevent or restrict any Partner or any of its Affiliates from disclosing, without the agreement of the Partnership or its Affiliate, as applicable: (a) Confidential Information required to be disclosed under any Applicable Law (including applicable securities laws) or the rules of any securities exchange; (b) Confidential Information required to be disclosed to its lenders or other creditors on a confidential basis; provided that in no event shall this clause (b) permit the disclosure of any Competitively Sensitive Information. Any Partner disclosing Confidential Information, as applicable in accordance with this Section 12.1 shall use reasonable efforts to (i) advise the Partnership and the other Partners of the details of the required disclosure and (ii) if permitted by Applicable Law, obtain the comments of the Partnership and such other Partners on the wording of the proposed disclosure prior to making such disclosure.
- (4) Notwithstanding anything to the contrary in this Agreement, in no event shall PSP, any of its Affiliates, or any of their respective Representatives, share any Confidential Information or Competitively Sensitive Information with any portfolio companies or other investments of PSP (or any of their respective Representatives other than employees of PSP who are acting in their capacity as Representatives of PSP and do not use such information for any purpose other than in furtherance of the transactions contemplated by this Agreement) and PSP shall, and shall cause its Affiliates that receive Confidential Information or Competitively Sensitive Information to, use customary information barriers to ensure that no portfolio company or other investment of PSP or any of their respective Representatives (other than employees of PSP who are acting in their capacity as Representatives of PSP and do not use such information for any purpose other than in furtherance of the transactions contemplated by this Agreement) has access to any Confidential Information or Competitively Sensitive Information.
- (5) This Agreement will not be construed as granting expressly or by implication during its terms or thereafter any interest in or rights or license with respect to any Confidential

Information and Competitively Sensitive Information disclosed pursuant to this Agreement or otherwise by or on behalf of the Partnership and its Affiliates.

- (6) In the event of a breach of a Partner's obligations under this Section 12.1, the Partner must, as soon as practicable following discovery of the breach, give written notice to the Partnership of the nature of the breach. The Partner must immediately, and upon consultation with the Partnership, take all necessary reasonable steps to limit the extent of the breach.
- (7) Disclosure or use of Confidential Information and Competitively Sensitive Information contrary to, or other breach of, this Agreement, or any other failure to comply with the terms and conditions of this Agreement by a Partner, will give rise to irreparable injury to the Partnership and Affiliates, inadequately compensable in damages. The Partners acknowledge and agree that the Partnership and its Affiliates, as applicable, may, in addition to any other remedy and in conjunction with Section 15.16, enforce the performance of this Agreement by way of injunction or specific performance upon application to a court of competent jurisdiction without proof of actual damages (and without the requirement of posting a bond or other security). The rights and remedies provided in this Agreement are cumulative and are in addition to, and not in substitution for, any other rights and remedies available at law or equity.

12.2 Public Announcements

Each Limited Partner shall, and shall cause its Affiliates, to consult with the other Limited Partner and provide that other Limited Partner a reasonable opportunity to comment before issuing any press release or making any other public announcement regarding the other Limited Partner, provided that (i) in the case of any disclosure required by Applicable Law or stock exchange rule, such consultation and opportunity to comment shall only be required to the extent reasonably practicable under the circumstances and (ii) no consultation and opportunity to comment shall be required with respect to any disclosure that is substantially similar to prior public disclosure made in compliance with the terms of this Agreement.

12.3 Subsidiaries as Third Party Beneficiaries

The provisions of this Article 12 will enure to the benefit of the Partnership and its Subsidiaries, if any, notwithstanding that such Subsidiaries are not parties hereto.

12.4 Survival

The provisions of this Article 12 will survive the termination of this Agreement or dissolution of the Partnership.

ARTICLE 13
TERM, TERMINATION AND DEFAULT

- (e) August 13, 2109.

Subject where applicable to compliance with the provisions of the Act for the renewal thereof, the Partnership shall not dissolve or terminate upon the death, bankruptcy, assignment of property in trust for the benefit of creditors or withdrawal of or attempted withdrawal by any Limited Partner, or the admission of any additional or substituted limited partners.

13.3 Limited Return of Capital Contributions Upon Dissolution

Each Partner will look solely to the property of the Partnership for all distributions and will have no recourse therefor, upon dissolution or otherwise, against the property of any other Partner. Notwithstanding the dissolution of the Partnership, the business of the Partnership and the affairs of the Partners, as such, will continue to be governed by this Agreement until termination of the Partnership, as provided for in this Agreement. Upon dissolution of the Partnership, the General Partner, or, if there is no General Partner, a liquidator (who may be a Partner) appointed by the written approval of all of the Limited Partners, will liquidate the property of the Partnership and apply and distribute the proceeds thereof as contemplated by this Agreement.

13.4 Distribution Upon Liquidation

- (1) The General Partner, or if there is none, the liquidator appointed pursuant to Section 13.3, as the case may be, will cause the Certificate to be cancelled and file a declaration of

dissolution, together with any other document necessary, desirable or useful in connection with the dissolution and winding up of the Partnership pursuant to the Act.

- (2) The General Partner or liquidator, as applicable, will liquidate the property of the Partnership as promptly as is consistent with obtaining the fair market value thereof, and apply and distribute the proceeds thereof in the following order:
 - (a) first, to the payment of the debts and liabilities of the Partnership in accordance with the Act and to the payment of liquidation expenses;
 - (b) second, to the establishment of reasonable reserves for contingencies which the General Partner or the liquidator, as the case may be, may consider necessary to satisfy any obligations or liabilities of the Partnership (except to the extent that the Partnership has put in place insurance policies to address such obligations or liabilities);
 - (c) third, to the payment of the balance of the distributions owing (if any) to the Partners in accordance with Article 8; and
 - (d) fourth, the balance, if any, to the Partners in accordance with their Unit Interests immediately prior to the dissolution of the Partnership.
- (3) The General Partner or liquidator, as applicable, will thereafter send notices of dissolution to all third parties that have dealings with the Partnership but would not otherwise have been notified of the dissolution.
- (4) The General Partner or liquidator shall at the time of liquidation assess the availability of insurance to reduce or eliminate the requirement for any reserves for contingencies pursuant to Section 13.4(2)(b) on commercially reasonable terms but, for certainty, the General Partner or liquidator shall retain the discretion to determine whether to purchase such insurance if available. If any of the reserves for the contingencies which the General Partner or the liquidator, as the case may be, taken pursuant to Section 13.4(2)(b) have not been applied to satisfy any obligations or liabilities of the Partnership within one year following the liquidation of the Partnership in accordance with this Section 13.4, the amount of any such unapplied reserves shall be distributed to the Partners in accordance with their Unit Interests immediately prior to the dissolution of the Partnership

ARTICLE 15 GENERAL

15.1 Limited Partner not a General Partner

If any provision of this Agreement has the effect of imposing upon any Limited Partner any of the liabilities or obligations of a general partner under the Act, such provision will be deemed to be of no force and effect and severed from the remainder of this Agreement.

15.2 Agreement to be Bound

Each Person who becomes a Limited Partner must concurrently with becoming a Limited Partner execute and deliver to the Partnership a counterpart copy of this Agreement or a written agreement in form and substance satisfactory to the Parties, agreeing to be bound by this Agreement, including making the representations and warranties contained in Article 14.

15.3 Entire Agreement

This Agreement, together with the Shareholder Agreement, constitute the entire agreement between the Parties with respect to the subject matter hereof and supersede all prior agreements, understandings, negotiations and discussions, whether oral or written (including the Prior Limited Partnership Agreement). There are no conditions,

representations, warranties or other agreements between the Parties with respect to the subject matter hereof, whether oral or written, express or implied, statutory or otherwise, except as specifically set out in this Agreement and the Shareholder Agreement. Any actions taken by the General Partner in its own capacity or the General Partner in its capacity as the general partner of the Partnership, including the entering into or the amendment, waiver or termination of any Related Party Contract pursuant to Section 4.3, shall be subject to the applicable provisions of the Shareholder Agreement, and any action taken by the General Partner in violation of any provision of the Shareholder Agreement shall be null and void *ab initio*.

- (2) The process set forth in Section 2.8(1), including the rights of PSP thereunder, shall apply only for so long as PSP holds a Unit Interest of at least 25% (or a permitted transferee of such rights from PSP in compliance with Section 3.3 holds a Unit Interest of at least 25%). For certainty, if the process set forth in Section 2.8(1) ceases to apply, the Corporation may on behalf of itself or on behalf of the Partnership, or Subsidiaries of the Corporation or the Partnership, enter into any New Related Party Contracts without complying with Section 2.8(1).

Unless unanimously agreed by the Shareholders, all Capital Calls shall be satisfied in cash and not in other property.

The Board may, in its discretion, determine the form of such dividend or distribution and, for greater certainty, whether any such distribution should be a return of capital or otherwise. No dividends or distributions shall be declared by the Corporation at any time prior to the Operational Phase.
- (2) The Corporation, as general partner of the Partnership, will comply with the Partnership's distribution policy, as set forth in Section 8.1 of the Partnership Agreement, at all times. **ARTICLE 5
LOSS OF RIGHTS**

5.1 Bankruptcy

- (1) If the Pattern Shareholder or an Affiliate of Pattern that holds Units initiates voluntary bankruptcy proceedings, or fails to dismiss involuntary bankruptcy proceedings filed against it (including any such proceedings arising through consolidation with any bankruptcy proceedings relating to PEGI) within 180 days of filing, then Pattern will automatically and without the need for any further act or formality assign and transfer all of its Shares to PSP for a purchase price per Share equal to the Original Per Share Consideration and concurrently with such sale and transfer, Pattern will no longer be a Shareholder but will remain a Party hereto and shall have all of the rights and obligations of a Shareholder hereunder except that it will no longer have (a) the right to appoint Directors under Section 2.2, and (b) the right to consent to matters under Section 3.3 (collectively (a) and (b), the “**Pattern Control Rights**”).
- (2) If the PSP Shareholder or an Affiliate of PSP that holds Units initiates voluntary bankruptcy proceedings, or fails to dismiss involuntary bankruptcy proceedings filed against it (including any such proceedings arising through consolidation with any bankruptcy proceedings relating to an Affiliate of Public Sector Pension Investment Board) within 180 days of filing, then PSP will automatically and without the need for any further act or formality assign and transfer all of its Shares to Pattern for a purchase price per Share equal to the Original Per Share Consideration and concurrently with such sale, PSP will no longer be a Shareholder but will remain a Party hereto and shall have all of the rights and obligations of a Shareholder hereunder except that it will no longer have (a) the right to consent to matters under Section 3.3, or (b) the rights set out in Section 2.8 (collectively (a) and (b), the “**PSP Veto Rights**”).

 - (2) If the aggregate Unit Interest of PSP and the PSP Affiliate that holds Units is reduced below 10% as a result of a failure by PSP or such PSP Affiliate to fund Capital Calls made pursuant to the Partnership Agreement, then PSP will automatically and without the need for any further act or formality assign and transfer all of its Shares to Pattern for a purchase price per Share equal to the Original Per Share Consideration and concurrently with such sale, PSP will no longer be a Shareholder but will remain a Party hereto and shall have all of the rights and obligations of a Shareholder hereunder except that PSP will no longer have the PSP Veto Rights. Notwithstanding the requirements in Sections
-

2.8 and 3.3 for PSP to have a Unit Interest of at least 25%, PSP will retain the PSP Veto Rights where its (or its Affiliate's) Unit Interest (a) is at least 10%, and (b) has been reduced below 25% solely as a result of a failure of PSP or its Affiliate to fund Capital Calls made pursuant to the Partnership Agreement (and not as a result of Transfers of Units).

5.3 Events of Default

- (1) If Pattern or the Corporation (while Pattern has the right under Section 2.2 to appoint all the Directors) is determined by a court to have committed actual fraud, wilful misconduct or bad faith in connection with the performance of its duties under this Agreement or if the Corporation (while Pattern has the right under Section 2.2 to appoint all the Directors) is determined by a court to have committed actual fraud, wilful misconduct or bad faith in connection with the performance of its duties under the Partnership Agreement, then Pattern will be required to sell and transfer its Shares and concurrently with such sale, Pattern will no longer be a Shareholder but will remain a Party hereto and shall have all of the rights and obligations of a Shareholder hereunder except that it will lose its Pattern Control Rights, as applicable, in accordance with Section 5.1(1), *mutatis mutandis*.
 - (2) If PSP is determined by a court to have committed actual fraud, wilful misconduct or bad faith in connection with the performance of its duties under this Agreement, then it will be required to sell and transfer its Shares and concurrently with such sale, PSP will no longer be a Shareholder but will remain a Party hereto and shall have all of the rights and obligations of a Shareholder hereunder except that it will lose its PSP Veto Rights in accordance with Section 5.1(2), *mutatis mutandis*.
 - (3) If (a) a court determines that Pattern has committed a material breach of its obligations under this Agreement in a repetitive manner and notice of such material breaches was given by PSP to Pattern following each such material breach, and (b) such repetitive material breach has a material adverse effect on the value of PSP's investment in the Partnership, then Pattern will be required to sell and transfer its Shares and concurrently with such sale, Pattern will no longer be a Shareholder but will remain a Party hereto and shall have all of the rights and obligations of a Shareholder hereunder except that it will lose its Pattern Control Rights in accordance with Section 5.1(1), *mutatis mutandis*.
 - (4) If a court determines that the Corporation (while Pattern has the right under Section 2.2 to appoint all the Directors), the Pattern Shareholder or any Affiliate of Pattern that is a counterparty to a Related Party Contract (or the equivalent thereof with respect to any renewable energy project that is jointly owned by Pattern and PSP) or the SSA, has committed a felony crime or its equivalent under Applicable Laws involving actual fraud against an equity investor in one or more renewable energy projects controlled by PEGI, then Pattern will be required to sell and transfer its Shares and concurrently with such sale, Pattern will no longer be a Shareholder but will remain a Party hereto and shall have all of the rights and obligations of a Shareholder hereunder except that it will lose its Pattern Control Rights in accordance with Section 5.1(1), *mutatis mutandis*.
-

 - (2) If the Pattern Control Rights have been transferred in accordance with Section 3.3 to a Permitted Transferee, such Permitted Transferee will lose such Pattern Control Rights in any circumstance where this Article 5 provides that Pattern would lose such Pattern Control Rights.
 - (3) If the PSP Veto Rights have been transferred in accordance with Section 3.3 to a Permitted Transferee, such Permitted Transferee will lose such PSP Veto Rights in any circumstance where this Article 5 provides that PSP would lose such PSP Veto Rights.
 - (4) Notwithstanding anything to the contrary herein, including Sections 5.4(1)-(3) or 13.17, if (a) Pattern is required to sell and transfer its Shares and to lose its Pattern Control Rights under the foregoing provisions of this Article 5, and (b) thereafter, Pattern (or the Pattern Affiliate holding Units) Transfers its Units to a Third Party as defined in and in accordance with the Partnership Agreement, then in connection with such Transfer: (x) PSP shall Transfer to such Third Party or its Affiliate a number of Shares (for a purchase price per Share equal to the Original Per Share Consideration) such that the Third Party or its Affiliate acquires a Share Interest equal to its (or its Affiliate's) Unit Interest, as the same may be adjusted pursuant to Section 6.6, and (y) such Third Party or its Affiliate acquiring Shares shall have all Pattern Control Rights and other rights of Pattern hereunder including the right to appoint all Directors under Section 2.2, *mutatis mutandis*.
 - (5) Notwithstanding anything to the contrary herein, including without limitation Sections 5.4(1)-(3) or 13.17, if (a) PSP is required to sell and transfer its Shares and to lose its PSP Veto Rights under the foregoing provisions of this Article 5, and (b) thereafter, PSP (or the PSP Affiliate holding Units) Transfers its Units to a Third Party as defined in and in accordance with the Partnership Agreement, then in connection with such Transfer: (x) Pattern shall Transfer to such Third Party or its Affiliate a number of Shares (for a purchase price per Share equal to the Original Per Share Consideration) such that the Third Party or its Affiliate acquires a Share Interest equal to its (or its Affiliate's) Unit Interest, and (y) such Third Party or its Affiliate acquiring Shares shall have all PSP Veto Rights and other rights of PSP hereunder, *mutatis mutandis*.
 - (6) Each of the PSP Shareholder and the Pattern Shareholder hereby irrevocably constitutes and appoints the other as its true and lawful attorney and agent in the name of and on behalf of the PSP Shareholder or the Pattern Shareholder, as the case may be, to execute and deliver in the name of the PSP Shareholder or the Pattern Shareholder, as the case may be, all such assignments, transfers, deeds or instruments as may be necessary to effectively transfer and assign the Shares held by the PSP Shareholder or the Pattern Shareholder, as the case may be, to the other Shareholder or to a Third Party in accordance with Section 5.1 or this Section 5.4. Such appointment and power of attorney, being coupled with an interest, shall not be revoked by the dissolution, winding-up,
-

bankruptcy or insolvency of the PSP Shareholder or the Pattern Shareholder, as the case may be, and each such Shareholder hereby ratifies and confirms and agrees to ratify and confirm all that the other Shareholder may lawfully do or cause to be done by virtue of the provisions hereof. Each Shareholder hereby irrevocably consents to the transfer of its Shares made pursuant to the provisions of this Article 5.

- (7) The exercise of any rights or remedies, or loss of rights, pursuant to this Article 5 shall be subject to the terms of any Project Financing. If the consent of any lender or other party is required under any Project Financing as a condition to the exercise of any rights pursuant to this Article 5 or the transfer of any Shares pursuant to this Article 5, each Party shall use its commercially reasonable efforts to obtain such consent or approval promptly following the event giving rise to such rights.

ARTICLE 6 TRANSFER & DISPOSITION OF SHARES

6.1 General Prohibition

- (a) No Shareholder may Transfer any Shares except as expressly permitted by this Agreement and the Articles.
- (b) Any purported Transfer of Shares in violation of this Agreement is void to the maximum extent permitted by Applicable Law.
- (c) The Corporation will not register or permit the registration of any Transfer of any Shares made otherwise than in compliance with the provisions of this Agreement, nor will any voting or other rights attaching to or relating to such Shares be exercisable, nor will any purported exercise of such rights be valid or effective, nor will any dividend or distribution be made on such Shares.

6.2 General Restrictions

- (1) Notwithstanding any other provision in this Agreement to the contrary, no Shareholder may Transfer any Shares if:
- (a) as a result, the remaining Shareholders, the Corporation or the Partnership would become subject to any materially restrictive or onerous governmental controls or regulations to which they were not subject prior to the proposed Transfer by reason of the nationality or residence of the proposed Transferee;
 - (b) as a result, the remaining Shareholders, the Corporation or the Partnership would become subject to any taxation or additional taxation to which they were not subject prior to the proposed Transfer;
 - (c) the Transfer is not permitted by Applicable Law or any term of any material agreement or instrument affecting the Partnership, including the Power Purchase Agreement and the terms of any Project Financing, unless such Transfer is permitted thereunder if a consent or approval is first obtained and such consent or approval is so obtained;
-

- (d) such Transfer is not exempt from any applicable requirement to file a prospectus, registration statement or similar document with applicable securities regulatory authorities to qualify the trade of such Shareholder's Shares;
- (e) such Transfer would result in the Partnership no longer being eligible to participate in and receive payments from the Power Authority under the Power Purchase Agreement in respect of the Project, unless such result would not occur if a consent or approval is first obtained and such consent or approval is so obtained;
- (f) the Transferee (i) appears on the Specially Designated Nationals and Blocked Persons List of the Office of Foreign Assets Control in the United States Department of the Treasury; (ii) is a Person with whom a transaction is prohibited by applicable provisions of Executive Order 13224, the *USA Patriot Act*, the *Trading with the Enemy Act* or the foreign asset control regulations of the United States Treasury Department, in each case as amended from time to time; (iii) is Controlled by any Person described in (i) or (ii); or has its principal place of business located in any country with whose citizens the Corporation is prohibited from entering into transactions pursuant to the requirements set forth in (ii);
- (g) any funds being used to purchase the Shares and satisfy the Transferee's commitments under this Agreement represent or will represent proceeds of crime for the purpose of the *Proceeds of Crime (Money Laundering) and Terrorist Financing Act* (Canada);
- (h) the Transferee is a Person identified in the Regulations Implementing the United Nations Resolutions on the Suppression of Terrorism, the United Nations Al Qaida and Taliban Regulations, the Regulations Implementing the United Nations Resolution on the Democratic People's Republic of Korea, the Regulations Implementing the United Nations Resolution on Iran or the Special Economic Measures (Burma) Regulations;
- (i) the Transferee has not agreed in writing with the other Shareholders to assume and be bound by all the obligations of the Transferor pursuant to this Agreement with respect to the Shares transferred arising from and after the date of such Transfer and to be subject to all the restrictions to which the Transferor is subject under the terms of this Agreement; or
- (j) any consents to such Transfer required pursuant to any Project Agreements or Governmental Agencies will not have been obtained in writing and delivered to the other Shareholders.

6.3 Permitted Transfer

- (1) Permitted by PSP. Notwithstanding Section 6.1 but subject to Section 6.2, Section 6.5, Section 6.7 and Section 6.9, PSP may, at any time and from time to time, Transfer all but not less than all Shares held by it upon prior notice to the Corporation and the other Shareholders but without first obtaining a Shareholder Approval:
-

- (a) to a Controlled Affiliate of PSP provided that such Transfer complies with Section 6.4; and
 - (b) to any other Person pursuant to, and in compliance with, Section 6.6.
- (2) Permitted by Pattern. Notwithstanding Section 6.1 but subject to Section 6.2, Section 6.5, Section 6.7 and Section 6.9, Pattern may, at any time and from time to time, Transfer all but not less than all Shares held by it upon prior notice to the Corporation and the other Shareholders but without first obtaining a Shareholder Approval:
- (a) to a Controlled Affiliate of Pattern provided that such Transfer complies with Section 6.4; and
 - (b) to any other Person pursuant to, and in compliance with, Section 6.6.

6.4 Permitted Transfers to Controlled Affiliates

- (1) Notwithstanding Section 6.1 but subject to Section 6.2 and Section 6.9, a Shareholder who is not then in default of its obligations under this Agreement will be entitled to Transfer to a Controlled Affiliate, without complying with Section 6.6, title to all or part of its Shares to one of its Controlled Affiliates, provided that:
- (a) the Transferor first establishes to the satisfaction of the other Shareholders, acting reasonably, (and if the other Shareholder does not agree that the Transferee is a Permitted Transferee then the matter shall be subject to the dispute resolution procedures outlined in Section 13.15) that the Person to which it is transferring its Shares is a Controlled Affiliate;
 - (b) a copy of the document or instrument effecting the Transfer is delivered to the Corporation;
 - (c) the Corporation and the other Shareholders receive prior written notice of such Transfer;
 - (d) all of the requirements for a Transfer set forth under Article 10 are satisfied; and
 - (e) where the Transferor transfers less than all of its Shares to a Controlled Affiliate, all Shares held or acquired by such Transferor and its Controlled Affiliate(s) shall be aggregated together for the purpose of determining the availability of any rights under this Agreement, and
 - (i) such Transferor and its Controlled Affiliate(s) may apportion such rights as among themselves in any manner they deem appropriate and
 - (ii) shall be jointly and severally liable for their respective obligations under this Agreement.

6.5 Restrictions on Transfer

Notwithstanding anything to the contrary in this Article 6 and any requirement or prohibition of any lender under the Project Financing, no Shareholder shall be entitled to Transfer any Shares pursuant to this Article 6 or if such Transfer would breach any term of or cause a default under the Power Purchase Agreement, unless such Transfer is permitted

thereunder if a consent or approval is first obtained and such consent or approval is so obtained. In addition, PSP may not Transfer any Shares, at any time, to a Competitor.

6.6 Transfer of Units by PSP or Pattern

- (1) Reference is made to Section 8.5 of the Partnership Agreement (the “**ROFO Provision**”), Section 8.6 of the Partnership Agreement (the “**Tag Provision**”) and Section 8.7 of the Partnership Agreement (the “**Drag Provision**”). Subject to the following sentences of this Section 6.6, if a Shareholder or its Affiliate holding Units is transferring Units pursuant to the ROFO Provision, Tag Provision or Drag Provision, as applicable, or any other transfer other than to a Controlled Affiliate, the Shareholder must also transfer a number of Shares held by such Shareholder to the applicable Transferee such that the Share Interest held by the Transferee equals the Unit Interest held by the Transferee or its Affiliate. The Transfer or issuance of any Shares hereunder will be made at a purchase price per Share equal to the Original Per Share Consideration (subject to appropriate adjustment in the event of any share split, combination or other similar recapitalization with respect to the shares in the capital of the Corporation). The parties acknowledge that for regulatory reasons, PSP has determined to hold a maximum Share Interest equal to 30% unless and until it holds 100% of the Shares, resulting in its Share Interest being lower than the Unit Interest held by PSP or its Affiliate until such time, and resulting in the Share Interest held by Pattern being higher than the Unit Interest held by PSP or its Affiliate until such time. At any time where the Share Interest of PSP is lower than the Unit Interest of PSP or its Affiliate, “**Excess Shares**” means the number of Shares held by Pattern which if transferred by Pattern to PSP would equalize the Share Interest and Unit Interest of PSP and its Affiliate holding Units. With respect to Transfers or issuances of Shares in accordance with this Agreement, the following shall apply:
- (a) in connection with transfers of Units by PSP or its Affiliate, PSP may require that Pattern transfer any or all of the Excess Shares held by Pattern to the transferee of such Units;
 - (b) where PSP would at any time be issued or transferred Shares resulting in a Share Interest greater than 30% but lower than 100%, PSP may elect to have Pattern hold all Excess Shares; and
 - (c) where any Units are issued that would alter the relative Unit Interests as between the Pattern or its Affiliate (on the one hand) and PSP or its Affiliate (on the other hand), the Corporation shall issue a number of Shares to Pattern or PSP as applicable to ensure (subject to (b) above) that the Share Interest held by such Party is equal to the Unit Interest held by such Party or its Affiliate.

6.7 Release of Transferring Shareholder

Subject (for certainty) to Section 6.4(1)(e), if a Shareholder Transfers, in accordance with this Agreement, all of its Shares, the transferring Shareholder will thereupon have no further funding obligations under this Agreement, provided that such transferring Shareholder will remain responsible for any and all of its debts and liabilities, and other obligations under this Agreement arising prior to the time of such Transfer. For avoidance of doubt, the confidentiality obligations of Article 9 shall survive the Transfer by a Shareholder of any or all of its Shares.

6.8 Pledge of Shares

Except as required pursuant to the terms of any Project Financing that is approved by the Board, no Shareholder will be permitted to Transfer any of its Shares by way of an Encumbrance to any other Person or otherwise grant a lien on any of its Shares without the prior written consent of all other Shareholders, which consent may be unreasonably or arbitrarily withheld; provided, however, that any collateral assignment to any lender(s) or agent on behalf of such lender(s) of any direct or indirect interest in a Shareholder (an “**Upstream Pledge**”), or any foreclosure of such collateral assignment by such lender(s) or such agent (an “**Upstream Realization**”) and subsequent disposition of such direct or indirect interest in a Shareholder shall be permitted so long as (a) such lender is financial institution with experience in the renewables sector, (b) any subsequent disposition, sale, assignment, transfer, conveyance, gift, exchange or other disposition by such lender or agent of its direct or indirect interest in a Shareholder is to a Qualified Transferee and (c) such subsequent disposition, sale, assignment, transfer, conveyance, gift, exchange or other disposition by such lender or agent of such indirect interest in a general partner or direct or indirect interest in a Shareholder complies with the transfer restrictions hereunder including Article 6.

Notwithstanding anything to the contrary in this Agreement, any Shareholder may pledge or otherwise grant a security interest in any of its Shares in connection with any Project Financing being provided to the Partnership. Transfers of such Shares to a secured party or any subsequent transferee in connection with any such financing are permitted.

6.9 Conditions to Admission

As conditions to the admission of a Transferee of a Shareholder as a substituted shareholder, any such Person will:

- (a) execute and acknowledge such instruments, in form and substance satisfactory to the other Shareholder, as the other Shareholder will deem necessary or desirable to effectuate such admission and to confirm the agreement of the Person being admitted as a substitute shareholder to be bound by all of the terms and provisions of this Agreement and to continue the Corporation without its dissolution or termination under the laws of the Province of British Columbia, or for any other reason; and
- (b) pay all reasonable expenses in connection with such admission, including the cost of preparing and filing of all necessary notices or amending declarations in any jurisdiction.

6.10 Indirect Transfers

- (1) A Transfer of the units or other equity interest in a Shareholder or in any Person that directly or indirectly holds units or other equity interests in such Shareholder (other than an Upstream Pledge or Upstream Realization or as permitted pursuant to Section 6.10(2)) shall not constitute a Transfer by the Shareholder of its Shares provided that (a) where the Shareholder is Pattern, that after such Transfer, PEGI continues to ultimately Control Pattern (or its Permitted Transferee), and (b) where the Shareholder is PSP, that after
-

such Transfer, Public Sector Pension Investment Board continues to ultimately Control PSP (or its Permitted Transferee).

- (2) For certainty, a Transfer of the units or other equity interests in PEGI or Public Sector Pension Investment Board or their respective direct and indirect owners shall not constitute a Transfer for purposes of this Agreement.

If the Annual Financial Statements are not required to be audited, then PSP shall have the right to request an audit of the Corporation, in which case the Corporation shall use commercially reasonable efforts to produce audited Annual Financial Statements, to be prepared (at PSP’s sole cost and expense) in an expeditious manner.
 - (4) The Corporation will prepare and deliver to each of the Shareholders within sixty (60) days after the end of each quarter of each Fiscal Year (including the final quarter of each Fiscal Year), a reasonably detailed report summarizing the status of the activities of the Corporation as at the end of the applicable quarter, financial and operational results data and reforecasting (if applicable) and a distribution forecast (including calculations of debt services coverage ratio and forecasted distributions to partners, which will include the unaudited unconsolidated quarterly financial statements of the Corporation for the quarter then ended (which do not include footnotes), including a balance sheet, a statement of income (profit and loss) and a statement of Shareholders’ equity and a related statement of changes in cash flow for such quarter (all of which will contain comparisons to the prior year) and will contain notes explaining material balances set out in the balance sheet and income statements and which specify the accounting standard used (the “**Quarterly Financial Statements**”).

Where the right to conduct any such review are subject to obligations of PEGI (or its Affiliates), the Corporation or the Corporation to, or limitations imposed by, any joint venture partners or contractual counterparties of the Corporation, the foregoing review rights of PSP will be subject to all such limitations and to full compliance by PEGI, the Corporation and PSP of all such obligations.

**ARTICLE 9
CONFIDENTIALITY**

9.1 Confidentiality

- (1) Subject to the provisions of this Section 9.1, each Shareholder shall, and shall cause its Affiliates and its and their Representatives to, keep confidential all information, documentation and records obtained from the Corporation, its Affiliates or their respective Representatives as well as any information arising out of any Shareholder's access to the books and records of the Corporation, its Affiliates or their respective Representatives (collectively, the "**Confidential Information**"); provided that except as set forth in Section 9.1(2), nothing herein shall restrict or prohibit any Partner from disclosing Confidential Information to its Representatives, in each case who first are instructed to maintain Confidential Information confidential on substantially similar terms as those contained in this Section 9.1(1); provided, further, that such Partner shall be liable for any breach of this Section 9.1 by any such Person as if such Partner had itself committed such breach. "**Confidential Information**" shall not include: (1) public information or information in the public domain at the time of its receipt by PSP or its Representatives; (2) information which becomes public through no fault or act of PSP or its Representatives; or (3) information received by PSP or its Affiliates in good faith from a third party lawfully in possession of the information and not in breach of any confidentiality obligations. PSP acknowledges that it is aware that (i) Confidential Information and Competitively Sensitive Information (as defined below) contains material, non-public information regarding the Corporation and its Affiliates and PEGI and (ii) United States and Canadian securities laws prohibit any persons who have material, non-public information from purchasing or selling securities of a company using such information or from communicating such information to any Person (including its Affiliates) under circumstances in which it is reasonably foreseeable that such Person is likely to purchase or sell such securities in reliance upon such information. PSP further confirms that it has in place internal information protection mechanisms to prevent unauthorized use of the Confidential Information and Competitively Sensitive Information.
 - (2) "**Competitively Sensitive Information**" shall mean information regarding the Corporation or its Affiliates that PEGI determines that one or more Affiliates of PSP could reasonably be expected to use to compete with PEGI. Notwithstanding anything to the contrary in this Agreement (including Section Article 7), in no event shall PSP be entitled to receive Competitively Sensitive Information, and PSP shall, and shall cause its Affiliates to, maintain any Competitively Sensitive Information of which any of their Representatives is or becomes aware in strict confidence; provided that the Corporation shall provide PSP with a commercially reasonable description of the nature of any Competitively Sensitive Information that would otherwise have been provided to PSP but for this Section 9.1(2) and shall use commercially reasonable efforts to provide substitute disclosure to PSP that, to the greatest extent practicable under the circumstances, will enable PSP to assess the applicable opportunity relating to the Corporation or its
-

Affiliates in substantially the same manner as if PSP had full access to such Competitively Sensitive Information and that is otherwise reasonably satisfactory to PSP.

- (3) Notwithstanding anything to the contrary contained herein, nothing in this Agreement shall prevent or restrict any Shareholder or any of its Affiliates from disclosing, without the agreement of the Corporation or its Affiliate, as applicable: (a) Confidential Information required to be disclosed under any Applicable Law (including applicable securities laws) or the rules of any securities exchange; (b) Confidential Information required to be disclosed to its lenders or other creditors on a confidential basis; provided that in no event shall this clause (b) permit the disclosure of any Competitively Sensitive Information. Any Shareholder disclosing Confidential Information, as applicable in accordance with this Section 9.1 shall use reasonable efforts to (i) advise the Corporation and the other Shareholders of the details of the required disclosure and (ii) if permitted by Applicable Law, obtain the comments of the Corporation and such other Shareholders on the wording of the proposed disclosure prior to making such disclosure.
 - (4) Notwithstanding anything to the contrary in this Agreement, in no event shall PSP, any of its Affiliates, or any of their respective Representatives, share any Confidential Information or Competitively Sensitive Information with any portfolio companies or other investments of PSP (or any of their respective Representatives other than employees of PSP who are acting in their capacity as Representatives of PSP and do not use such information for any purpose other than in furtherance of the transactions contemplated by this Agreement) and PSP shall, and shall cause its Affiliates that receive Confidential Information or Competitively Sensitive Information to, use customary information barriers to ensure that no portfolio company or other investment of PSP or any of their respective Representatives (other than employees of PSP who are acting in their capacity as Representatives of PSP and do not use such information for any purpose other than in furtherance of the transactions contemplated by this Agreement) has access to any Confidential Information or Competitively Sensitive Information.
 - (5) This Agreement will not be construed as granting expressly or by implication during its terms or thereafter any interest in or rights or license with respect to any Confidential Information and Competitively Sensitive Information disclosed pursuant to this Agreement or otherwise by or on behalf of the Corporation and its Affiliates.
 - (6) In the event of a breach of a Shareholder's obligations under this Section 9.1, the Shareholder must, as soon as practicable following discovery of the breach, give written notice to the Corporation of the nature of the breach. The Shareholder must immediately, and upon consultation with the Corporation, take all necessary reasonable steps to limit the extent of the breach.
 - (7) Disclosure or use of Confidential Information and Competitively Sensitive Information contrary to, or other breach of, this Agreement, or any other failure to comply with the terms and conditions of this Agreement by a Shareholder, will give rise to irreparable injury to the Corporation and its Affiliates, inadequately compensable in damages. The Shareholders acknowledge and agree that the Corporation and its Affiliates, as applicable, may, in addition to any other remedy and in conjunction with Section 13.21, enforce the performance of this Agreement by way of injunction or specific performance upon application to a court of competent jurisdiction without proof of actual damages
-

(and without the requirement of posting a bond or other security). The rights and remedies provided in this Agreement are cumulative and are in addition to, and not in substitution for, any other rights and remedies available at law or equity.

9.2 Public Announcements

Each Shareholder shall, and shall cause its Affiliates, to consult with the other Shareholder and provide that other Shareholder a reasonable opportunity to comment before issuing any press release or making any other public announcement regarding the other Shareholder, provided that (i) in the case of any disclosure required by Applicable Law or stock exchange rule, such consultation and opportunity to comment shall only be required to the extent reasonably practicable under the circumstances and (ii) no consultation and opportunity to comment shall be required with respect to any disclosure that is substantially similar to prior public disclosure made in compliance with the terms of this Agreement.

9.3 Subsidiaries as Third Party Beneficiaries

The provisions of this Article 9 will enure to the benefit of the Corporation and its Subsidiaries notwithstanding that such Subsidiaries are not parties hereto.

ARTICLE 10 GENERAL SALE PROVISIONS

10.1 Warranties of Seller

Subject to the applicable limitations set forth in Article 6, each Shareholder shall do all such acts or things, including the execution of any Share transfers, that may be necessary to effect the transfer of any Shares to another Shareholder or a Third Party pursuant to this Section 10.1. For greater certainty, in respect of a proposed Transfer from one Shareholder to another Shareholder, the selling Shareholder shall cause any such Transfer to be effected by way of a simplified transfer agreement with representations and warranties restricted to ownership of the Shares to be transferred, enforceability of the Transfer, corporate capacity, authority and authorization, and receipt of necessary consents to effect the Transfer.

10.2 Closing

Each Transfer of Shares between a seller and a buyer will, unless the seller and the buyer otherwise agree, be closed at the offices of the solicitors of the Corporation at 10:00 a.m. on the closing date specified in accordance with this Agreement.

10.3 Closing Conditions

At the time of closing of any Transfer of any Shares between a seller and a buyer under this Agreement, the seller will table:

- (a) a certificate or certificates representing the Shares being Transferred by the seller, duly endorsed in blank for transfer or accompanied by a duly executed stock power of transfer in appropriate form;
 - (b) a release of any Encumbrances on the Shares being Transferred;
-

- (c) either a certificate of the seller stating that the seller is not a non-resident of Canada for the purposes of the Income Tax Act or a certificate issued by the Minister of National Revenue pursuant to section 10.6 of the Income Tax Act with respect to the proposed disposition of property by a non-resident of Canada; and if the seller fails to deliver such certificate, or if the purchase price for the Shares being sold is greater than the certificate limit shown in the certificate issued by the Minister of National Revenue, then the buyer will be entitled to deduct or withhold from the purchase price and to remit to the Receiver General of Canada the amount for which the buyer, in its reasonable determination, is liable pursuant to the provisions of section 10.6 of the Income Tax Act in respect of the Transfer of the Shares being Transferred; and
- (d) the resignation(s), as a Director, of the seller's appointee(s) to the Board.

10.4 Payment

The buyer will pay for the Shares being purchased pursuant to this Agreement by a draft drawn on, or a cheque certified by, or a wire transfer initiated by a Canadian or U.S. chartered bank or trust company.

10.5 Allocation of Purchase Price

Unless otherwise specified herein, on any Transfer of Shares the allocation of the purchase price for such Shares will be to each Share, equally per Share.

10.6 Indebtedness between Seller and the Corporation

- (1) If, on the date of closing of any sale and purchase of all of the Shares of a seller, the seller is indebted to the Corporation or any Subsidiary or has failed to return any property of the Corporation or any Subsidiary, then, unless the Corporation and the seller otherwise agree in writing, the buyer will at the time of closing of such purchase and sale pay to the Corporation the purchase price payable for the Shares being sold and the Corporation, acting reasonably, will apply such purchase price to repayment of the indebtedness of the seller to the Corporation or any Subsidiary, as the case may be, and, if applicable, retain an amount equivalent to the fair market value of the property of the Corporation or any Subsidiary, as the case may be, as security for the return of such property. If the seller sells all of his Shares and the indebtedness of the seller to the Corporation or any Subsidiary exceeds the purchase price for the Shares being sold, then the seller will at the time of closing pay the balance of such indebtedness to the Corporation to retire such indebtedness. If the purchase price for the Shares being sold exceeds the indebtedness of the seller to the Corporation or any Subsidiary, the Corporation will pay the balance to the seller at the time of closing of such sale and purchase less, if applicable, such amount as it may retain, acting reasonably, equivalent to the fair value of the property of the Corporation or any Subsidiary, as the case may be, as security for the return of such property.
 - (2) If, on the date of closing of any sale and purchase of all of the Shares of a seller, the Corporation or any Subsidiary is indebted to the seller, the Corporation or such
-

Subsidiary will, at the time of closing, repay such indebtedness at its face value plus accrued and unpaid interest, if any.

**ARTICLE 11
ISSUE OF ADDITIONAL SHARES**

 - (c) **Validity of Agreement.** The execution and delivery of and performance by the Shareholder of this Agreement:
 - (i) will not (or would not with the giving of notice, the lapse of time or the happening of any other event or condition) result in a breach or violation of or a conflict with, or allow any other Person to exercise any rights under, any of the terms or provisions of its articles, by-laws or other constating documents or governing agreements;
 - (ii) will not (or would not with the giving of notice, the lapse of time or the happening of any other event or condition) result in a breach or violation of or a conflict with, or allow any other Person to exercise any rights under any contracts or instruments to which the Shareholder is a party or pursuant to which any of the Shareholder's assets may be affected; and
 - (iii) will not result in the violation of any Applicable Law.
-

- (d) **Execution and Binding Obligation.** This Agreement has been duly executed and delivered by the Shareholder and constitutes a legal, valid and binding agreement of each Shareholder enforceable against it in accordance with its terms, subject only to any limitation under Applicable Laws relating to (i) bankruptcy, winding-up, insolvency, arrangement and other laws of general application affecting the enforcement of creditors' rights, and (ii) the discretion that a court may exercise in the granting of equitable remedies.

- (f) **Residence.** Unless otherwise disclosed in writing to the Corporation, the Shareholder is not a non-resident of Canada for the purposes of the Income Tax Act or is, if a partnership, a "Canadian partnership" for the purposes of the Income Tax Act.

12.2 Survival

The representations, warranties and covenants of the Parties contained in this Article 12 survive the execution and delivery of this Agreement and continue in full force and effect with respect to each Party until it ceases to be bound by the provisions of this Agreement.

13.3 Agreement to be Bound

13.4 Conflict with Articles

In the event of any inconsistency between this Agreement and the Articles, this Agreement will govern to the extent of the inconsistency and, at the request of any Party, the Parties will forthwith make all changes to the Articles as are necessary and lawful to render them not inconsistent with this Agreement.

13.5 Entire Agreement

This Agreement constitutes the entire agreement between the Parties with respect to the subject matter hereof and supersedes all prior agreements, understandings, negotiations and discussions, whether oral or written which shall be deemed to terminate on the date hereof and shall thereafter have no further effect upon the Parties, other than the Partnership Agreement, which will continue in force and effect. There are no conditions, representations, warranties or other agreements between the Parties with respect to the subject matter hereof, whether oral or written, express or implied, statutory or otherwise, except as specifically set out in this Agreement and the Partnership Agreement.

13.8 Waiver

A waiver of any default, breach or non-compliance under this Agreement is not effective unless it is in writing and signed by the Party to be bound by the waiver. No waiver will be inferred from or implied by any failure to act or delay in acting by a Party in respect of any default, breach or non-compliance or by anything done or omitted to be done by that Party. The waiver by a Party of any default, breach or non-compliance under this Agreement will not operate as a waiver of that Party's rights under this Agreement in respect of any continuing or subsequent default, breach or non-compliance, whether of the same or any other nature.

13.9 Governing Law

This Agreement will be construed in accordance with the laws of the Province of British Columbia and the federal laws of Canada applicable therein (without reference to conflicts of law principles). Pattern Energy Completes Acquisition of 51% of 179 MW Meikle Wind Power Facility

SAN FRANCISCO, California, August 14, 2017 – Pattern Energy Group Inc. (Nasdaq & TSX: PEGI) (“Pattern Energy” or the “Company”), today announced it has completed the acquisition of a 51% interest in the 179 MW Meikle Wind facility from Pattern Energy Group LP (“Pattern Development 1.0”) for \$68 million¹, which represents a 10x multiple of the five-year average cash available for distribution² (“CAFD”). The Public Sector Pension Investment Board (“PSP Investments”) acquired the remaining 49%.

“Completing the acquisition of Meikle Wind adds British Columbia’s largest wind power facility to our portfolio and is one of the first initiatives in our new strategic relationship with PSP Investments,” said Mike Garland, Chief Executive Officer of Pattern Energy. “Meikle is an excellent addition to our portfolio, providing a strong addition to our CAFD² with a long-term revenue stream from its 25-year PPA. PSP Investments’ acquisition of the remaining 49% stake in Meikle demonstrates their confidence in our business model and investment decisions.”

The purchase price of the Meikle Wind acquisition was funded from available cash and draws under the Company’s revolving credit facility.

Meikle Wind commenced commercial operations in the first quarter of 2017 and operates under a 25-year power purchase agreement with BC Hydro, which has a AAA/Aaa credit rating.

Located in the Peace River Regional District of British Columbia, Canada, the 179 MW Meikle Wind facility consists of 61 GE wind turbines, including 35 3.2 MW turbines and 26 2.75 MW turbines.

1) Based on a CAD to USD exchange rate of \$1.27

2) This forward looking measure of five-year average annual purchase price multiple of cash available for distribution (CAFD) contribution from the Meikle Wind facility is a non-GAAP measure that cannot be reconciled to net cash provided by operating activities as the most directly comparable GAAP financial measure without unreasonable effort primarily because of the uncertainties involved in estimating forward-looking changes in working capital balances which are added to earnings to arrive at cash provided by operations and subtracted therefrom to arrive at CAFD. A description of the adjustments to determine CAFD can be found on page 60 of Pattern Energy’s 2016 Annual Report on Form 10-K.
