

## **Monica Opderbeck**

AVP, Origination & Power Marketing,  
Business Development

---

Ms. Opderbeck serves as the Associate Vice President of Origination & Power Marketing within Pattern's North American Business Development group. She and her team are responsible for the commercial leadership of originating, structuring, negotiating, and executing long-term structured revenue contracts, other energy-related procurement contracts, and asset sale transactions for Pattern Energy's development pipeline and operating assets.

Prior to joining Pattern Energy, Ms. Opderbeck served as a Director of the Renewable Energy and Environmental Finance portfolio at Wells Fargo. In her time at Wells Fargo, she spent a total of 12 years in energy finance and capital markets. While she held several roles at Wells Fargo, from commodity derivatives to project finance, most of her time was focused on deploying capital for the bank's renewable energy tax equity investments where she successfully led some of the largest tax equity transactions in the industry.

Ms. Opderbeck earned a Bachelor of Arts degree in Mathematics from the University of California, Santa Cruz. She and her family reside in the San Francisco bay area.
